

MedView W10 (Gen 2) Quick Start Guide

Scan for User Guide

Do not manually adjust camera.

Designed to be powered on 24/7/365. Please do not turn off the unit.

The MedView will power on after being plugged in for 2 minutes. The camera will automatically adjust to a privacy setting.

The **green phone** icon control is used to make a call and accept an incoming call.

The **red phone icon** control is used to end a call. The system will go into standby mode after a call is dropped and the camera will move into the privacy position.

Controls (for Optional Remote)

1. Pan and tilt the camera
2. Zoom camera in
3. Zoom camera out
4. Increase speaker volume
5. Decrease speaker volume
6. Enter Button
7. ESC Button
8. Answer incoming call/place call
9. End or reject call
10. Mute/Unmute microphone
11. Enable/Disable video privacy
