EATON POWER DISTRIBUTION, MONITORING AND ENCLOSURES

Basic rack PDUs

[Rack PDU configurator](#)

Basic rack PDUs are designed for reliable and cost-effective power distribution.

- Available in horizontal and vertical design
- Clearly labeled circuits simplify load balancing
- Cost effective solutions to meet Basic needs

New G3 models feature IEC grip outlets and color-coded outlet sections as well as high-operating temperatures of 60°C (140°F).

EATON POWER DISTRIBUTION, MONITORING AND ENCLOSURES

Metered Input rack PDUs

[Rack PDU configurator](#)

Metered Input models provide input phase and branch circuit monitoring. These rack PDUs feature an LED or pixel LCD display that shows current draw for branch circuit loading and phase balancing. All models offer remote monitoring over a network connection.

- Clearly labeled circuits simplify load balancing
- Local current meter display
- Remote monitoring with network connection

Metered Input rack PDUs

EATON POWER DISTRIBUTION, MONITORING AND ENCLOSURES

Metered Outlet rack PDUs

[Rack PDU configurator](#)

Eaton ePDU G3 Metered Outlet models monitor and measure critical factors such as voltage, current and power consumption without the capability to switch outlets. Metered Outlet models provide the necessary measurements to calculate Level 3 PUE and feature an advanced local display.

- Measurement of outlet-level power consumption
- Ability to deliver Level 3 PUE to increase accuracy and precision of energy analysis
- Remote monitoring of entire environment over the network from a single interface
- Single- and three-phase configurations provide solutions for multiple environment types
- ±1% billing grade accuracy
- Advanced LCD pixel display, hot-swap meter, IEC grip outlets and color-coded circuits
- The ability to daisy chain eight ePDUs to share the same network connection and IP address

Metered Outlet ePDUs

EATON POWER DISTRIBUTION, MONITORING AND ENCLOSURES

Managed rack PDUs

[Rack PDU configurator](#)

ePDU G3 Managed models include outlet switching and metered outlets. Switching allows you to power cycle (reboot) locked servers or turn off unused outlets. Outlet level monitoring of voltage, current, power and energy (KWH) provides necessary measurements to calculate Level 3 PUE and to run capacity /usage analytics.

- Monitor power consumption in kilowatt hours at the individual outlet level requirement
- Readings available via Ethernet connection over a network (utilizing Eaton's Intelligent Power Manager)
- Power consumption readings allow for Power Usage Effectiveness calculations

EATON POWER DISTRIBUTION, MONITORING AND ENCLOSURES

[Eaton Automatic Transfer Switches](#)

[Rack PDU configurator](#)

eATS (Automatic Transfer Switch)—Designed for switching non-phase synchronized AC power sources, the automatic transfer switch ePDUs' intelligent circuitry monitors both inputs, providing a fast switch transfer from primary to secondary source power critical equipment without interruption. These ePDUs assure the highest level of redundancy to mission-critical applications.

- 1U configurations available
- Custom designs upon request

Eaton HotSwap Maintenance Bypass (MBP)

[Rack PDU configurator](#)

HotSwap MBP—Facilitating hot-swappable UPS replacement from the rack—the HotSwap MBP is also ideal when exchanging a faulty unit or upgrading to a new UPS. The HotSwap MBP offers receptacles in 5-15R and 5-20R.

- Gain additional receptacles on UPSs
- Provide service continuity during battery replacement, UPS maintenance or upgrade
- Ease installation with flexible mounting options (rear panel, the top, on the left or on the right of the UPS (depending on the UPS model)
- Accommodate most space constraints with minimal depth 1U form factor

Remote Emergency Power Off (REPO) Rack PDUs

[Rack PDU configurator](#)

Remote emergency power off (REPO) rack PDUs enable immediate and complete power off control from one button.

These PDUs are hardwired and the power off switch can be housed anywhere in the data center for quick and easy

access, should the need for immediate shutdown arise.

- EMI/RFI Filter* and Surge Suppression* (*model specific)
- Remote interface capability utilizing remote control panels (RCPs)

EATON POWER DISTRIBUTION, MONITORING AND ENCLOSURES

Rack PDU Cables

- Adapters to enable equipment with disparate input/output receptacles to work together
- Jumpers to connect two pieces of equipment without cluttering up the cable arrangement
- Splitters to add extra equipment to a UPS or PDU without using up more outlets

All Eaton power cables are tested and certified for use with Eaton products, such as rack PDUs, rack power modules (RPMs) and UPSs—proven to deliver the reliability and service life needed for the most rigorous data center applications.

- Choose from adapters, jumpers and splitters for any rack power distribution application
- Select from a broad range of input/output connectors
- Streamline cabling in enclosures by deploying exactly the cable length needed
- Count on assured performance with pre-tested products that meet UL and Eaton standards

EATON POWER DISTRIBUTION, MONITORING AND ENCLOSURES

ECLISPE SURGE SUPPRESSORS

The Eclipse is Ideal for all uses—computer, peripheral, stereo and video—total protection against power surges, spikes, nearby lightning strikes and line noise.

- Up to 1020 joule rating
- Master on/off switch
- Instantaneous response time
- Visual alarm(s)
- Audible alarm (except personal)
- Circuit breaker and thermal fuse protection
- 360° rotating plug (except personal)

MiniRaQ by Eaton

Vertical Wallmount Open Frame Rack/Convertible Enclosure

Eaton has partnered with best-in-class wallmount enclosure manufacturer Black Hawk Labs to provide our customers with the most versatile wallmount enclosure in the market. With three options to select from MiniRaQ open, MiniRaQ convertible and MiniRaQ secure, Eaton gives users the options required to secure Edge environment deployments.

Solution highlights:

- 50% smaller footprint in comparison to horizontal wallmount offerings
- Unsurpassed weighth capacity allows up to 400lbs of critical equipment to be installed
- Large cable access openings on the top, bottom, and sides of the backplate provide increased cable and conduit routing flexibility
- Modular design guarantess installation can be performed by one technician, which reduces installation costs and time to deploy
- Optional high-velocity, multi-fan module ensures critical networking equipment stays cool, even when fully enclosed
- Optimized for deep rack components, the MiniRaQs vertical equipment mounting orientation allows an equipment depth of 35 inches, exceeding the limitations of traditional horizontal enclosures

MiniRaQ Open- Includes Backplate (2.5" Deep) & Side Panels. Features a 2U Dedicated

Catalog Number	Description	Dimensions (H x W x D Inches)	Weight (lb)	List Price
ETN-MRQ100V06	MiniRaQ Open with 4U Side Panels	19.25 x 19 x 9.75	18 lbs.	\$389
ETN-MRQ100V08	MiniRaQ Open with 6U Side Panels	19.25 x 19 x 13.25	20 lbs.	\$421
ETN-MRQ100V10	MiniRaQ Open with 8U Side Panels	19.25 x 19 x 16.75	22 lbs.	\$470
ETN-MRQ100V12	MiniRaQ Open with 10U Side Panels	19.25 x 19 x 20.25	24 lbs.	\$503

MiniRaQ Convertible- Includes Backplate (4.5" Deep) & Side Panels. Features a 4U Dedicated Space for Patch Panel, Bonus 2U Equipment Space Internal to Backplate, Upgradeable to MiniRaQ Secure Compact.

Catalog Number	Description	Dimensions (H x W x D Inches)	Weight (lb)	List Price

EATON POWER DISTRIBUTION, MONITORING AND ENCLOSURES

S-Series Enclosure

Designed for small and medium-sized businesses, the Eaton S-Series Enclosure supports and protects your critical IT equipment.

These standard configured enclosures are scalable and integrate an array of options including cable management, power distribution and backup power to provide a full network solution.

- Air flow/thermal management options include chimneys, blanking panels, and grommets for the enclosures.
- Split rear doors on most configurations provide easier access and maneuverability in data center environments.
- Guaranteed compatibility with EIA-310 standard size equipment.
- A wide range of cable management options enhance cable routing horizontally and vertically.
- Color: Black

Tanlock by Eaton

Modular Access Control System for Eaton RS Enclosures

Eaton has partnered with best-in-class lock manufacturer Fath Mechatronics to provide our customers with the most versatile module access control system in the market. With two smart lock options available Tanock 3 (PoE) and Tanlock Zero (12V/24V), Tanlock by Eaton gives users the options required to effectively secure their rack enclosure.

Tanlock 3 - Provides Power of Ethernet (PoE) connectability - No peripherals required
Tanlock 0 - Provides connectivity via 5W/12W/24W

Multiple authentication technologies allows users to customize for their specific requirements:
Keypad, RFID, Fingerprint, Hand Vein Scanner, Touch Display, Dual Authentication PIN/RFID and Barcode/QR Code options.
Protocol support: LDAP, SNMP, RESTful API, SysLog
Configurable security by VLAN
Universal rack fit: Retrofit to any enclosure with standard 25mm x 50mm (x2) / 25mm x 150mm universal door cutouts.
Direct integration* with Eaton VPM and VCOM software offerings for simplified remote management, logging and access.

*Tanlock 3 required for VPM/VCOM direct integration

EATON 3S UPS

Line-interactive UPS (550 – 1500 VA)

[UPS selector](#)

Now featuring a
3-year warranty with
product registration!

Standby UPS (350–750 VA)

The sleek Eaton 3S delivers high efficiency and energy-saving battery backup and surge protection for your premium home and office equipment —ready to go right out of the box.

- Ease of use: Plug-and-play capability — features HID-compliant USB port for automatic integration with Windows, Mac and Linux (no drivers required)
- EcoControl for 30% greater energy savings than a typical battery backup
- Attractive design and glossy finish make the 3S a perfect fit for the modern office environment
- Up to 10 receptacles — (5) battery backup and surge protection, (5) surge protection
- Protection for devices connected to telephone, fax and Ethernet lines (10/100 Mbit only)
- User-replaceable battery
- Integrated graceful shutdown capability for connected devices
- Simulated sine wave output on battery
- Warranty (US and Canada): Three-year limited warranty on UPS and Battery (third year of warranty free with online product registration), \$25,000 load protection guarantee

3S NORTH AMERICAN MODELS: 120V, 50/60 Hz

EATON 5SC UPS

Line-interactive UPS (550 – 1500 VA)

[UPS selector](#)

Now featuring a
3-year warranty with
product registration!

The 5SC offers flexible integration with a small form factor and adjustable input waveform sensitivity, making it ideal for protecting tower servers, network-attached storage (NAS), network equipment, ATMs, tickets machines and kiosks.

- LCD display: Enables you to customize UPS settings, view load and power consumption
- ABM technology extends battery life and provides advanced warning of battery failure
- True sine wave output on battery for compatibility with PFC power supplies of computers and servers
- Power management: Integrates with Intelligent Power Manager (IPM) for point-to-point power management (USB/serial) or network-based using server as a proxy
- User-replaceable batteries
- Warranty and service: Protects you with a three-year warranty, which includes the battery, \$150,000 load protection guarantee
- Reliable power protection: Corrects a wide range of input voltage variations with AVR; provides high quality, pure sine wave output on battery and ensures consistent voltage is provided to any sensitive connected equipment
- Convenient form factor: Fits easily into small spaces, making the 5SC ideal for protecting tower servers, Network-attached storage (NAS), network equipment, ATMs, ticket machines and kiosks

EATON 5S UPS TOWER

Line-interactive UPS (550 – 1500 VA)

[UPS selector](#)

Now featuring a
3-year warranty with
product registration!

- Power management: Enhance your power protection capabilities and ensure safe system shutdown with the Eaton UPS Companion software. The 5S interface is auto-recognized when plugged into computers with Windows, Macintosh and Linux environments
- LCD display: Access critical UPS information including battery time and load level in a single screen view with the user-friendly LCD
- Data protection: Safeguard your work and data with the UPS Companion software by gracefully shutting down your equipment during power outages
- Eco-Control: Save up to 30 percent on energy consumption by shutting down non-essential peripherals when the connected computer is turned off
- Convenient form factor: Fit the 5S easily into tight spaces with its slim form factor. The versatile 5S can be used as a tower or as a desktop monitor stand
- Simulated sine wave output on battery
- Warranty (US and Canada): Three-year limited warranty on UPS and Battery (third year of warranty free with online product registration)

EATON 5P UPS RACKMOUNT

Line-interactive UPS (550–3000 VA)

[UPS selector](#)

Now featuring a
3-year warranty with
product registration!

The Eaton 5P Rackmount UPS provides enhanced power conditioning with line-interactive topology and pure sinewave output for distributed IT equipment

- Compatible with the UL 2900-1 compliant Eaton Gigabit Network Card (Network-M2)
- ABM technology extends battery life and provides advanced warning of battery failure
- Lithium-ion batteries (LFP chemistry) available in select 5P 1U rackmount models
- Fully integrates with Intelligent Power Software Suite for monitoring and management of servers and graceful shutdown of virtualized environments
- Provides more real power (watts) to protect more equipment for expanding IT systems
- Warranty (US and Canada) - Lead acid UPS: Three-year limited warranty on UPS and batteries free with online product registration, five-year extended warranty plans available.
- Warranty (US and Canada) - Lithium-ion UPS: Five-year limited warranty on UPS and batteries standard
- \$150,000 load protection guarantee

EATON 5PX G2 UPS RACK/TOWER

Extended runtime capable, Next-generation UPS

[UPS selector](#)

Line-interactive UPS (1000–3000 VA)

The Eaton 5PX G2 UPS provides secure, connected power protection with extended runtime capability for distributed IT

- Extended runtime available by adding up to (4) Extended Battery Modules (EBMs)
- 5PX G2 models use lead-acid batteries only at this time
- Up to 25% or more standard runtime with only the internal batteries for 1.5 kVA and 2 kVA models compared to legacy 5PX
- Compatible with the optional UL 2900-1 and IEC 62443-4-2 compliant Eaton Gigabit Network Card (NETWORK-M2) and Industrial Gateway Card (INDGW-M2) for enhanced cybersecurity
- Network Bundle models (with "RTN" in the part number) include a factory pre-installed Gigabit Network Card
- ABM technology extends battery life and provides advanced warning of battery failure
- Pure sinewave output in battery mode
- Displays critical UPS information in a next-generation graphical LCD and new LED light bar for easy UPS status identification
- Protects more devices with the highest possible watt output per VA rating (unity output PF)
- Compatible with Eaton Intelligent Power Manager (IPM) and Visual Power Manager (VPM) software
- Hot-swappable batteries (by qualified persons) allow you to replace batteries while the UPS stays on
- Load segments enable shutdown of connected devices for increased runtime via load shedding
- 4-post rail kit included (2-post rail kit optional); optional 4-post "ship-in-rack" rail kit available (RK4PRS)
- For TAA applications, see legacy 5PX TAA models; 5PX G2 does not offer TAA-compliant models at this time
- Warranty (US and Canada): Three-year limited warranty on the UPS and batteries, five-year extended warranty plans available, plus a \$150,000 load protection guarantee

EATON 5PX UPS RACK/TOWER

Extended Run Capable

[UPS selector](#)

Now featuring a 3-year warranty with product registration!

Line-interactive UPS (1000–3000 VA)

The Eaton 5PX UPS provides enhanced power conditioning with line-interactive topology and pure sinewave output for distributed IT equipment with extended runtime options

- Extended runtime available by adding up to 4 External Battery Modules (EBMs)
- Compatible with the UL 2900-2-2 compliant Eaton Gigabit Network Card (Network-M2) for enhanced cybersecurity
- Advanced Battery Management (ABM) extends battery life and provides advanced warning of battery failure
- Meters energy consumption down to the outlet segments/groups
- Displays critical UPS information in a next-generation graphical LCD
- TAA-compliant models available
- Comes with free monitoring and management software, perfect for virtualized environments
- Hot-swappable batteries allow you to replace batteries while the UPS stays on
- Load segments enable shutdown of connected devices for increased runtime via load shedding
- 4-post rail kit included (2-post rail kit optional)
- Warranty (US and Canada): Three-year limited warranty (third year of warranty free with online product registration), five-year extended warranty plans available, \$150,000 load protection guarantee

Eaton 9SX UPS Tower

Online UPS (700–3000 VA)

[UPS selector](#)

The Eaton 9SX UPS is ideal for critical applications with harsh electrical environments including IT, industrial automation and control, and healthcare. It’s built for scalable deployment with a graphical LCD interface that enables local access to configurations and settings, history, diagnostics, energy consumption and load segment control.

- 5-button graphical LCD menu provide access to settings, alerts and history for quick unit setup and first time issue resolution
- True tower form factor, perfect for OEM and industrial applications
- More real power (watts) to protect more equipment
- Increases battery service life and system uptime up to 50% with ABM battery-charging technology and user-replaceable batteries
- Maximizes runtimes with optional extended battery modules (available for all units except the 700 VA tower models)
- Ships with free monitoring and management software, perfect for virtualized environments
- Warranty (US and Canada): Two-year limited warranty, three and five-year extended warranty plans available, \$250,000 load protection guarantee

EATON 9PX UPS RACK/TOWER (700-3000VA)

[UPS selector](#)

As a stand-alone, online double-conversion UPS, the Eaton 9PX 700-3000 VA rack/tower models can withstand harsh electrical environments for a variety of critical applications including IT, edge networks, industrial automation, healthcare and K-12. It's built for scalable deployment and features a graphical LCD interface that enables local access to configurations and settings, history and diagnostics, energy consumption and load segment control.

- Graphical LCD screen lets you customize settings, diagnose UPS alarms and view load and power consumption locally
- Remote power off, remote on/off and output relay ports provide increased control capabilities
- Load segments allow for prioritized shutdown and automated restart protocols, daily or weekly reboot schedules and remote power cycling
- Up to 94% efficiency in online mode cuts energy usage and costs
- ABM charging technology keeps batteries cool and stretches their lifetime by up to 50 percent
- Seamlessly integrates with Intelligent Power Manager to monitor, manage and control physical and virtual environments
- PredictPulse remote monitoring service can be added to increase reliability and peace of mind—Eaton monitors your UPS, notifies you when there's an alarm and takes appropriate action
- Four-post rail kit is included (two-post rail kit is optional)
- Warranty (US and Canada): Two-year limited warranty, five-year extended warranty plans available, \$250,000 load protection guarantee

EATON 9PX Lithium-ion UPS (1-3 kVA)

[UPS selector](#)

The 9PX lithium ion UPS has the same incredible features as the lead acid UPS with the additional value add of 8-10 years life expectancy for batteries, allowing peace of mind, also increased runtime vs VRLA 9PX, lighter UPS and EBM, and a smaller footprint with the 1U EBM. It can withstand harsh electrical environments for a variety of critical applications including IT, edge networks, industrial automation, healthcare and K-12. It's built for scalable deployment and features a graphical LCD interface that enables local access to configurations and settings, history and diagnostics, energy consumption and load segment control.

- 8-10 year life expectancy for batteries and UPS allowing a set it and forget deployment
- Add up to 4 EBMs for additional runtime
- BMS (Battery Management System) improves reliability and performance by actively monitoring temperature and charge cycles
- Remote power off, remote on/off and output relay ports provide increased control capabilities
- Load segments allow for prioritized shutdown and automated restart protocols, daily or weekly reboot schedules and remote power cycling
- Up to 94% efficiency in online mode cuts energy usage and costs
- Seamlessly integrates with Intelligent Power Manager to monitor, manage and control physical and virtual environments
- PredictPulse remote monitoring service can be added to increase reliability and peace of mind—Eaton monitors your UPS, notifies you when there's an alarm and takes appropriate action
- Four-post rail kit is included (two-post rail kit is optional)
- Warranty (US and Canada) - Lithium-ion UPS: Five-year limited warranty on UPS and batteries standard

EATON 9PX

5-6 kVA Bundles

[UPS selector](#)

Delivering premium backup power and scalable battery runtimes for servers, voice/data networks and storage systems, the Eaton 9PX UPS is the ideal solution for both rack and stand-alone installations. With an advanced LCD screen interface and robust power management software, managing a UPS has never been easier with the 9PX—even in virtualized environments.

- Graphical LCD screen enables you to customize UPS settings, diagnose UPS alarms and view load and power consumption
- Provides more real power (watts) to protect more equipment and leave room for expanding IT systems
- Delivers added runtime with extended battery modules and extends battery service life by 50% with ABM Technology
- Virtualization-ready UPS includes connectivity card
- Cuts energy usage and costs with 93% efficiency rating in default, online mode
- Maximizes availability with extended battery runtime options, hot-swappable batteries, internal bypass and optional maintenance bypass
- Fully integrates with Intelligent Power Software Suite for continuous up time of servers and virtual machines.
- 4-post rail kit included (2-post rail kit optional)
- Warranty (US and Canada): Two-year limited warranty, five-year extended warranty plans available, \$250,000 load protection guarantee

9PX 5-6 kVA RACK/TOWER: 208/230V¹ OUTPUT, 50/60 Hz

Catalog Number	Description	Rating (VA/Watts)	Input Connection	Output Receptacles	Dimensions (H x W x D, inches)	Weight (lb)	List Price
9PX5K	5 kVA 9PX UPS	5000/4500	Terminal block with L6-30P cord	Hardwired + (2) L6-30R, (2) L6-20R	5.1 (3U) x 17.3 x 28.4	106	\$7,488
9PX6K	6 kVA 9PX UPS	6000/5400 ²	Terminal block with L6-30P cord	Hardwired + (2) L6-30R, (2) L6-20R	5.1 (3U) x 17.3 x 28.4	106	\$8,080
9PX6K-10	6 kVA 9PX UPS w/ 10ft input cord	6000/5400 ²	Terminal block with 10ft L6-30P cord	Hardwired + (2) L6-30R, (2) L6-20R	5.1 (3U) x 17.3 x 28.4	106	\$8,400

1. 9PX 5K, 6K operate at 200, 208 (default), 220, 230, 240V
2. 6K models derated at 200, 208, 220V (see technical specs)

5-6 kVA Bundles

9PX 5-6 kVA RACK/TOWER: 120/240V³ OUTPUT, 50/60⁶ Hz

Catalog Number	Description	Rating (VA/Watts)	Input Connection	Output Receptacles	Dimensions (H x W x D, inches)	Weight (lb)	List Price
9PX5KTF5 ⁶	5 kVA 9PX UPS w/ 5 kVA Transformer	5000/4500	Terminal block with L6-30P cord	(1) L6-30R, (2) L6-20R, (18) 5-20R	10.2 (6U) x 17.3 x 28.4	201	\$8,755

EATON 9PX SP UPS RACK/TOWER SPLIT-PHASE

6-10 kVA Split-phase

Delivering premium backup power and scalable battery runtimes for servers, voice/data networks and storage systems, the Eaton 9PX SP UPS is the ideal solution for both rack and stand-alone installations. With an advanced LCD screen interface and robust power management software, managing a UPS has never been easier with the 9PX—even in virtualized environments.

- SP models offer both 120 and 208 output without a transformer saving, u space, weight and cost
- Graphical LCD screen enables you to customize UPS settings, diagnose UPS alarms and view load and power consumption
- Provides more real power (watts) to protect more equipment and leave room for expanding IT systems
- Delivers added runtime with extended battery modules and extends battery service life by 50% with ABM Technology
- Virtualization-ready UPS includes connectivity card
- Cuts energy usage and costs with 93% efficiency rating in default, online mode
- Maximizes availability with extended battery runtime options, hot-swappable batteries, internal bypass and optional maintenance bypass
- Fully integrates with Intelligent Power Software Suite for continuous up time of servers and virtual machines. (Included)
- 4-post rail kit included (2-post rail kit optional for 9PX6KSP)
- Warranty (US and Canada): Two-year limited warranty, five-year extended warranty plans available, \$250,000 load protection guarantee

EATON 9155 UPS & ACCESSORIES

9155-8kVA, 9155-10kVA, 9155-12kVA, 9155-15kVA MODELS

Industry proven design delivers a robust system that performs above expectations year after year

- True double-conversion topology protects equipment from all nine of the most common power problems
- Output Power factor rated at 0.9 to deliver what todays high power loads require
- Flexible voltages with split-phase design for 100/200, 110/220, 120/240, 120/208 and 127/220V applications
- Use Eaton's patented Hot Sync paralleling technology to parallel up to 4 similar sized UPSs (4 x 15kVA)
- Optional rear-mounted maintenance bypass switch can be ordered with the UPS or installed in the field
- 8 to 15kVA available with configurable rear power distribution modules (PDMs) allowing 15 different output receptacle types
- Internal batteries to keep the UPS footprint smaller to allow customers to install more revenue generating equipment
- Different product heights allow for additional battery runtime in the same footprint
- Includes on-site 5x8 startup and operator training by Eaton field technician
- Includes one year of PredictPulse remote monitoring service (requires connectivity parts and self installation)
- Eaton startup is required all 9155 UPS systems

1. 50/60 Hz auto-sensing. All models can be used for frequency/phase conversion with derated 80% load, please refer to manual for details. (Neutral required all models)
2. Input voltage 100/200, 110/220, 120/240, Vac 180° phase displacement, 120/208, 127/220 Vac 120° phase displacement. Input is hardwire connection on all models. Input neutral **REQUIRED** on all systems, unless an optional input isolation transformer is ordered. Output voltages are user-selectable 100/200, 110/220, 120/240 Vac 180° phase displacement, 120/208, 127/220 120° phase displacement
3. Weight is installed weight, add 47 lb. (2-modules high) or 50 lb. (3-modules high) to determine shipping weight. Add 6" to height for shipping. Pallet size 32"W x 44" L
4. For parallel systems, change CTO digit #5 to a "2" and add \$780 to list price. A hotsync parallel card is included, order a Parallel Tie Cabinet if needed.
5. 9155 models with transformers can use an attached PDM for bypassing the electronics and battery sections.
You can also use an external bypass, (BPM or wall mount panelboard) which will also bypass **ONLY** the electronics and battery sections of the UPS.
If you order a 9155 without a PDM it will arrive without any wiring between the transformer, and electronics module.
Without the PDM, the customers electrician will be responsible for connecting the transformer to the UPS electronics section.

CONNECTIVITY OPTIONS (factory added or to be ordered separately)

Available X-Slot card options: The UPS has two X-Slot bays available; one X-Slot card can be factory installed.

If a second X-Slot card is required, it can be ordered separately and user-installed.

Catalog Number if ordered separately	Value for UPS catalog # Digit 8	Description	Material number	Weight (lb)	List Price
	0	NONE (No Pre-installed X-Slot card)	-	0	\$0
INDGW-X2	3	(NEW) Industrial Gateway Card (X-Slot)	744-07538	2	\$579
103003055	6	Industrial Relay Card	103003055	2	\$500

Note: Parallel UPS systems use one of the two X-Slots for the HotSync parallelling card.

When adding cards as factory option: add card list price to UPS list price

9155 UPS (8–15 kVA)

OUTPUT RECEPTACLES AND MAINTENANCE BYPASS

Catalog Number	Description	Dimensions (H x W x D, inches)	Weight (lb.)	List Price
See worksheet	Power Distribution Module (PDM) with Mechanical Bypass Switch, mounted to rear of the UPS	16.5 x 12.0 x 7.0	25	\$1,100

Receptacle Codes Use code letters below in digits 9–12 in the Catalog number

PDM Worksheet codes	Description (Qty) NEMA Type	Voltage	Phase	Price adder for bypass and for each receptacle code chosen
S	Mechanical Bypass Module only			\$1,100
A	(4) 5-15R	120	Single	\$235
B	(4) 5-20R UL	120	Single	\$235

SERVICES

For detailed information on service plans, please contact your Eaton Service Sales Representative

EATON 9PXM UPS RACK/TOWER

Online double-conversion UPS (4–20 kVA)

Reliable online, high-frequency, double-conversion power protection that provides flexible solutions for mission-critical applications.

- N + X power and logic redundancy eliminating all system level single point-of-failure
- Easily scalable to adapt to changing IT environments by simply adding power and/or battery modules
- Double-conversion, online design delivers the highest level of protection
- ABM technology significantly increases battery service life
- Hot-swappable battery and power modules, each weighing less than 30 pounds for easy handling and replacement
- Configurable output
- Warranty (US and Canada): Two-year limited warranty and \$250,000 load protection guarantee; optional service plans available
- 90 Day PredictPulse Trial Includedfor Systems Equipped with Network-M2 and EMP

9PXM MODELS

Model	Part Number	Dimensions (H x W x D, inches)	Weight (lb)	List Price
9PXM Modules				
Split-phase Power Module (120/208, 127/220, 110/220, 120/240V In & Out)	9PXMSPPM	6.00 x 8.50 x 23.00	26.5	\$4,129
Battery Module (two required per slot/string). 90 Day window guaranteed after drop shipment before recharge needed to modular 9PXM battery packs.	9PXMBAT	3.00 x 8.50 x 23.00	22.5	\$700
Optional 20 Amp Charger Module (same form factor as 4 kVA power modules)	9PXMCHGR	6.00 x 8.50 x 23.00	22.5	\$3,973
Note: For 9PXM replacement modules, contact our Service Group at 800.356.5737 for pricing.				
UPS Enclosures				
8-slot enclosure (4, 8, 12 or 16 kVA), Hardwired Input/Output	9PXM08AAXXX	25.00 x 17.50 x 34.50	125	\$6,581
12-slot enclosure (4, 8, 12, 16 or 20 kVA), Hardwired Input/Output	9PXM12AAAAA	36.50 x 17.50 x 34.50	170	\$7,317

EATON Ferrups FX Connected Industrial UPS

Ferrups series

Ferroresonant UPS (1100–18,000 VA)

- Bulletproof power integrity and management for telecommunications, computer, and industrial applications
- Special configurations and options available—call sales support for details: 800.356.5794
- Added connectivity options provide guaranteed communications and security in mission critical industrial and manufacturing settings
- Warranty (US and Canada): Two-year limited warranty and \$250,000 load protection guarantee; optional service plans available

Eaton BladeUPS

Multi-mode three-phase rack mount UPS (5 to 60kW N+1)

The Eaton BladeUPS is a revolutionary power quality solution, expanding power protection from 5 kW to 60 kW in a single industry standard 19-inch rack, and, most significantly, providing this robust, compact solution without generating the additional heat associated with legacy end-of-row, modular UPS products.

- Up to three (3) busbar sizes available, six (6), four (4) and three (3) module configurations
- Preassembled systems NOW available in either black or white racks
- Achieves the highest power density in the marketplace
- Requires only six rack units (6U) per unit
- Reduces single points of failure with an intelligent bypass design that eliminates human error
- Provides the ultimate in reliability through a peer-to-peer paralleling relationship
- 1 Year PredictPulse Trial Included for Systems Equipped with INDGW-X2 and EMP

- Wireway and busbar will be shifted down 6U (Top) or up 6U (bottom) to allow the MBM to be installed to the top or the bottom of the enclosure. Maintenance Bypass is installed next to wireway for easier wiring. Factory wiring NOT provided between MBM and UPS busbar, which is the customers or electrical contractors responsibility.
- Shipping dimensions are 87”H x 37”W x 60”D. If more than 4 units are installed batteries for 5th and 6th units will ship on a separate pallet maximum 15”H x 32”W x 48”D. Total shipping weight for configurations of 4 UPS modules or less is installed weight plus 345 lbs. For configurations of 5 or 6 UPS modules add 391 lbs. to installed weight.
 - All weights are installed weight. To determine shipping weight of pre-assembled systems add 368 lbs.
 - For 400vac configurations, change digit six (6) in the part number from number "1" to number "2". If a maintenance bypass is in the configuration, also change digit 13 from number “1” to number “2”. List price remains the same for either voltage.
 - For configuration in built in WHITE S-Series rack change digit "3" in above Preamsembled part numbers to a number 3. Cost is the same as systems with black racks.

Additional notes: Factory-installed connectivity for Pre-Assembled Systems:
Style Number digit 7 represents the communication card installed in the system.
0 = No connectivity, 2 = ModBus RTU, 3 = Standard relay card, 4 = Industrial relay card, 5 = Industrial Gateway Card (X-Slot)
For systems with more than one UPS module, additional cards are required. Please visit the Connectivity Products section for card information, including pricing.

How to order: 1. Select base model voltage (208V or 400V), 2. Select input connector option, 3. Select input cord length (corded units only), 4. Select first receptacle

Eaton BladeUPS

Example of configured model part number: Y03111022300000

SOFTWARE AND CONNECTIVITY OPTIONS

Bundled with Intelligent Power Software Suite CD and communication cable. See the software and connectivity product sections for more detail.

BLADEUPS 12 kW BATTERY BACKUP TIMES (in minutes)

Load (kW)	%	Internal Battery	+1 EBM	+2 EBMs	+3 EBMs	+4 EBMs
2	17	44.0	85	137	199	258

EATON 9355 UPS & ACCESSORIES

9355-10kVA, 9355-15kVA, 9355-20kVA, 9355-30kVA MODELS

Industry proven design delivers a robust system that performs above expectations year after year

- True double-conversion topology protects equipment from all nine of the most common power problems
- Output Power factor rated at 0.9 to deliver what todays high power loads require
- Inherently scalable from 10 to 15kVA or from 20 to 30 kVA, allowing you to pay as you grow with no additional hardware
- Use Eaton’s patented Hot Sync paralleling technology to parallel up to 4 similar sized UPSs (4 x 15kVA or 4 x 30kVA)
- Includes rear-mounted (10 & 15kVA) or internal (20 & 30kVA) maintenance bypass switch
- 10 to 15kVA available with configurable rear power distribution modules (PDMs) allowing 15 different output receptacle types
- 20 and 30kVA available with optional total system rated output breaker to connect direct to load panel
- Internal batteries to keep the UPS footprint smaller to allow customers to install more revenue generating equipment
- Different product heights allow for additional battery runtime in the same footprint
- Includes on-site 5x8 startup and operator training by Eaton field technician
- Includes one year of PredictPulse remote monitoring service (requires connectivity parts and self installation)
- Eaton startup is required all 9355 UPS systems

KB3043200000010	9355 30 kVA parallel system with Internal Batteries & breaker	30 kVA/27 kW	220/220 ²	11	66.0 x 20.0 x 34.1	1176	\$37,270

1. 50/60 Hz auto-sensing.
2. A center balanced input neutral is required for all configurations. 208V units are wye connected 208Y/120V - 220V units 220Y/127V, three-phase, 4-wire plus ground.
If not available order unit with an input isolation delta/wye transformer, or have the customer supply the correct transformer
3. For 9355-10 and 15kVA models: add 47 lbs for 2-high configurations or 50 lbs for 3-high configurations to determine shipping weight. Add 6" to height for pallet. Pallet size 32"W x 44"L
For 9355-20 and 30kVA models: add 60 lbs to determine shipping weight. Add 6" for pallet height. Pallet size 34" W x 40" L
4. For 9355-10 and 15kVA models: to order parallel setup system, change CTO digit #5 to a “2” (add \$780) includes HotSync card. Order a Parallel Tie Cabinet if required

CONNECTIVITY OPTIONS (factory added or to be ordered separately)

Available X-Slot card options: The UPS has two X-Slot bays available; one X-Slot card can be factory installed.

If a second X-Slot card is required, it can be ordered separately and user-installed.

Catalog Number if ordered separately	Value for UPS catalog # Digit 8	Description	Material number	Weight (lb)	List Price
	0	NONE (No Pre-installed X-Slot card)	-	0	\$0
INDGW-X2	3	(NEW) Industrial Gateway Card (X-Slot)	744-07538	2	\$579
103003055	6	Industrial Relay Card	103003055	2	\$500

Note: Parallel UPS systems use one of the two X-Slots for the HotSync parallelling card.

When adding cards as factory option: add card list price to UPS list price

9355-10kVA and 15kVA ONLY - OUTPUT RECEPTACLES

Receptacle Codes	(QTY) NEMA Type	Enter "Receptacle Code" into CTO DIGIT #	List Price Adder for EACH Receptacle Code Chosen
2	(1) L15-30R	9, 10 or 11 only	\$235
3	(1) L21-20R	9, 10 or 11 only	\$235
4	(1) L21-30R	9, 10 or 11 only	\$235
A	(2) 5-15R	9, 10, 11, 12	\$235
B	(2) 5-20R UL	9, 10, 11, 12	\$235
D	(2) 6-15R	9, 10, 11, 12	\$235
E	(2) 6-20R	9, 10, 11, 12	\$235
F	(2) L5-15R	9, 10, 11, 12	\$235
G	(1) L5-20R*	9, 10, 11, 12	\$235
H	(1) L5-30R*	9, 10, 11, 12	\$235
I	(2) L6-15R*	9, 10, 11, 12	\$235
J	(1) L6-20R*	9, 10, 11, 12	\$235
K	(1) L6-30R*	9, 10, 11, 12	\$235
L	(1) L14-20R*	9, 10, 11, 12	\$235
M	(1) L14-30R*	9, 10, 11, 12	\$235
X	Blank Panel	9, 10, 11, 12	\$20
N	(2) IEC 320 C13 120V	9, 10, 11, 12	\$235
P	(2) IEC 320 C19 120V	9, 10, 11, 12	\$235

Note: Arrange receptacle codes in numerical-alphabetical order in digits 9 through 12 of the CTO number

Example 1: a PDM with an L21-20, an L14-30, and Qty 2 IEC320-C19 would have digits 9 through 12 of the CTO arranged as "3MPPP"

Example 2: a PDM with a 5-15R, and an L6-30, and an L14-30 would have digits 9 through 12 of the CTO arranged as “AKMX”

The combined quantities of LOCKING receptacles (denoted by *) must not exceed 4 per unit.

Please be sure to utilize the "X" designation for any of the 4 total slots not populated.

EATON 9355 UPS & ACCESSORIES

9355-15kVA and 30kVA MISC OPTIONS				List

EATON EMERGENCY LIGHTING UPS

5.7kW to 27kW

Emergency Lighting product line offers a UPS system with matching battery cabinets to achieve UL 924 required 90 minutes of runtime.

The Eaton Emergency Lighting UPS line combines high capacity and a small footprint, making it a cost-effective solution to comply with Emergency Lighting requirements.

All solutions are fully tested to comply with UL 924.

- 90 minutes of runtime
- Allows for a manually operated and protected test switch
- 5.7-27KW
- 208, 240, 277 and 480V options

EATON 93E UPS & ACCESSORIES

93E-20kVA, 93E-30kVA, 93E-40kVA, 93E-60kVA MODELS

The Eaton 93E UPS delivers three key benefits that drive a lower total cost of ownership (TCO):
1.) Internal batteries 2.) Compact footprint 3.) High energy-efficiency

ASSEMBLED IN THE USA, Subassemblies manufactured in ROC (Taiwan)

- Up to 98% efficiency in ESS mode, double conversion supported by proven two level IGBT power converter design
- All ratings available with internal batteries to save on floor space and reduce installation costs
- Wide variety of matching accessory cabinets to build a full system to meet the customers requirements
- Small footprint allows installation in areas without a lot of space
- Designed to allow more floor space to be dedicated to revenue-producing equipment
- Standard units without additional cabinets can be started by the customer
- All UPS's ordered with EBC's or ordered as a parallel UPS MUST have factory startup
- Customers electrician responsible for all interconnect wiring, except slim bypass cabinets (SIAC-B)

CONNECTIVITY OPTIONS (factory added or to be ordered separately)

Available MS-Slot card options: The UPS has two MS-Slot bays available; one MS-Slot card can be factory installed.

If a second MS-Slot card is required, it can be ordered separately and user-installed.

Catalog Number if ordered separately	Value for UPS catalog # Digit 11	Description	Material number	Weight (lb.)	List Price
	0	NONE (No Pre-installed MS-Slot card)	-	0	\$0
RELAY-MS	1	Relay Card-MS	744-98067	2	\$154
INDGW-M2	9	(NEW) Industrial Gateway Card (MS-Slot)	744-07774	2	\$512
INDRELAY-MS	-	Industrial Relay Card	P-116000059	2	\$783

When adding cards as factory option: add card list price to UPS list price

- Notes:
1. Contact service for information on kVA upgrade kits
 2. External battery cabinet (EBC) can be added at any time, however requires authorized service (Not available on reduced runtime units)
 3. Eaton recommends you use a left side SAIC-B if Extended battery cabinets (EBC) are to be installed.
 4. Wall mount bypass are three-breaker type, therefore for dual feed, separate feed will be required to be supplied by others to feed rectifier
 5. Mount Transformer or IDC cabinets on the same side as SAIC-B cabinet.
 6. Maximum of 2 Extended Battery Cabinets can be bought for a system. See runtime charts.
 7. Distribution breakers for 36 pole panel are Eaton type BAB or QBH
 8. External battery cabinet (EBC) cannot be added to reduced runtime 20KVA or 40kVA models
 9. Customers electrician responsible for all interconnect wiring except slim bypass cabinets (SIAC-B)

For detailed information on service plans, please contact your Eaton Service Sales Representative

EATON 93PM UPS

Double-conversion (20–400 kW)

The Eaton 93PM UPS combines unprecedented efficiency, reliability, and vertical or horizontal scalability with eye-catching design. A space-saving, flexible device that's as easy to deploy as it is to manage, it's the perfect three-phase white or grey space solution for today's mission critical applications.

- Industry-leading efficiency at up to 97% in double conversion and 99.1% in ESS
- Unity power factor provides 100% real power in a small footprint
- Internal battery options support up to 50 kW of load
- Internal redundancy option offers ultimate reliability in a compact footprint and low cost
- Fully detachable sidecar options for pre-wired, true external maintenance bypass in a slim footprint
- Easy to manage with LCD color touchscreen interface and status-indicating LED bars
- Flexible and innovative thermal management configurations to accommodate in-row, wall, or aisle installations
- Easy to deploy with line & match accessory cabinets and a wide range of distribution options
- Includes on-site 7x24 startup
- Includes one year of PredictPulse remote monitoring service (includes connectivity kit)

93PM (50 kW) BASE MODELS - 480V 3-Wire

UPS Order Notes

1. Top cable entry requires a sidecar for wire routing space. A 3-breaker maintenance bypass sidecar can be used for top cable entry.
2. All weights are installed weight; add 65 lbs for shipping weight.
3. All units are parallel capable. Hot Sync is included in all models as standard.

IAC Order Notes

- 1. All weights are installed weight; add 65 lbs for shipping weight.
- 2. Panels are PRL1a; use BAB or QBHW bolt-on breakers.
- 3. Distribution breakers are JG3250 with trip settings of 250, 225, 200, 175, 160, 150, 125, 100A.
- 4. IAC-D 208/208V cabinet provides 3-wire 208V system input and 4-wire 208V system output. Single feed only.
For UPS metering to reflect 208V, change UPS digit #6 in UPS part number to "P".

93PM INTEGRATED BATTERY CABINETS - For Use with 480V 93PM Systems

Description	Part Number	Rating	Voltage ^{2,3}	Base Runtime (min) ⁴	Dimensions (H x W x D, inches)	Weight (lb)	List Price
IBC-S, one battery string	9PZBBAY08010000	216 cell	432V Link	2.3	74.0 x 19.7 x 42.0	2,395	Call
IBC-S, two battery strings	9PZBBAY08012000	432 cell	432V Link	6.5	74.0 x 19.7 x 42.0	3,580	Call
IBC-S, three battery strings	9PZBBAY08013000	648 cell	432V Link	12.1	74.0 x 19.7 x 42.0	2,405	Call
IBC-SW, 1 battery string/1 cabinet	9PZWBBE20010000	216 cell	480V Link	15	74.0 x 16.7 x 42.0	2,159	Call
IBC-SW, 2 battery string/2 cabinet	9PZWBBE20020000	432 cell	480V Link	36	74.0 x 33.4 x 42.0	4,318	Call
IBC-SW, 3 battery string/3 cabinet	9PZWDBE20030000	648 cell	480V Link	65	74.0 x 50.1 x 42.0	6,477	Call

IBC Order Notes

- 1. All weights are installed weight; add 48 lbs to determine shipping weight.
- 2. 432V batteries can **only** be used with 480V 3-Wire UPS's.
- 3. 480V batteries can **only** be used with both 480V 3W and 4W UPS models
- 4. Base runtime calculated at 50kW load.

Double-conversion (20–400 kW)

93PM INTEGRATED BATTERY CABINET - For Use with 208V 93PM Systems

Description	Part Number	Rating	Voltage	(min) ²	(H x W x D, inches)	(lb)	Price
IBC-SW, 1 battery string/1 cabinet	9PZWGBE20010000	216 cell	480V Link	11.6	74.0 x 16.7 x 42.0	2,159	Call

IBC Order Notes

- 1. All weights are installed weight; add 48 lbs to determine shipping weight.
- 2. Base runtime calculated at 60kW load.

Order Notes

- 1. UPS EPO is selectable as N/O or N/C.

Power Xpert 9395 UPS

The energy-efficient Power Xpert 9395 UPS is designed to provide backup in a small footprint for large data centers, healthcare applications, and uninterruptible power modules are purchased with the 9395, you can redundancy option. This means that any time the load is below 50 percent redundant.

- Delivers 99 percent UPS efficiency without sacrificing reliability using Energy Saver System
- Provides stronger power performance with double-conversion design and Eaton’s exclusive Easy Capacity Test
- Offers the highest reliability and availability with Powerware Hot Sync paralleling, superior battery management, inherent redundancy and a scalable architecture that adapts to increasing power requirements
- Delivers robust manageability with a 7-inch color touchscreen display, superior control and connectivity
- Works with the Intelligent Power Software Suite, which offers free monitoring, management and shutdown software ideal for protecting physical and virtual machines
- Helps save money and protect the environment through energy efficient operation
- Provides room to grow in the future through on-site upgrades in 275 kVA increments
- Includes one year of PredictPulse remote monitoring service (includes connectivity kit)

Description	Part Number	Rating (kVA)	Input/Output Voltage	Base Runtime (min)	Dimensions Per cabinet (W x D x H, inches)	System Weight (lb)	List Price

Notes:
ESS (99% efficiency) & VMMS (Optimized efficiency in double conversion) come standard
Both ESS and VMMS cannot be used at the same time; VMMS can only be used when more than one UPM is installed

Power Xpert 9395P UPS - High Performance

The Power Xpert 9395P High Performance UPS models provide industry-leading efficiency and scalable battery runtimes in a small footprint. Large data centers, healthcare applications, multi-tenant data centers, light industry, and other critical systems can lower their total cost of ownership by leveraging the ground-breaking Energy Saver System. Monitor and manage your 9395P UPS with the 7-inch color LCD touchscreen display.

The Power Xpert 9395P offers:

- 99% UPS efficiency without sacrificing reliability using Energy Saver System
- Up to 97% UPS efficiency in double conversion
- The highest reliability and availability with inherent redundancy and a scalable architecture that adapts to increasing power requirements
- 300kW Uninterruptible Power Module(s) (UPM), unity power factor rated
- Robust manageability with a 7-inch color touchscreen display, superior control and connectivity and with an extensive service offering

9395P HIGH PERFORMANCE BASE MODELS

Description	Part Number	Rating (kW/kVA)	Input/Output Voltage	Base Runtime (min)	Dimensions Per cabinet (W x D x H, inches)	System Weight (lb)	List Price

9395P high performance 600kW UPS, dual feed, touchscreen display, no input breaker, common battery, reverse transfer, includes startup	W761106060010R2	600	480 / 480	0	73.8 x 34.4x 74	3184
3 breaker remote maintenance bypass, 65 KAIC, Kirk Key interlocks, Solenoid Key Release Unit and “OK to Bypass” indicator lamp.	M1FPPXQX211XXXX				36.00 x 24.0 x 90.00	1200
External battery configuration 1 (5 cabinets)	TL6003E39521201	9	at full load	44.3 x 31.6 x 74.4	19645	Call
External battery configuration 2 (5 cabinets)	TL6003E54521201	19.1	at full load	44.3 x 31.6 x 74.4	23825	Call
Optional 100 kAIC input breaker	Change 8th digit from "0" to "4"					Call

Notes:
Touchscreen comes standard on high performance model
ESS (99% efficiency) & VMMS (Optimized efficiency in double conversion) come standard
Both ESS and VMMS cannot be used at the same time; VMMS can only be used when more than one UPM is installed

Power Xpert 9395C UPS

Eaton's Power Xpert 9395C is a unity power factor monolithic 1MW rated UPS designed with improved footprint in mind, saving customers valuable data center floor space. Based on the already proven 9395P High Performance hardware, the 9395C UPS provides equal capability in a package best suited for those not requiring modularity. Monitor and manage your 9395C UPS with the 7-inch color LCD touchscreen display. The Power Xpert 9395C offers:

- 99% UPS efficiency without sacrificing reliability using Energy Saver System
- Up to 97% UPS efficiency in double conversion
- 12% footprint reduction from the Power Xpert 9395P High Performance UPS
- 25% footprint reduction from the Power Xpert 9395P High Performance UPS when integrated in a connected system with a power distribution switchgear
- Robust manageability with a 7-inch color touchscreen display, superior control and connectivity and with an extensive service offering
- Includes 1-year subscription to Eaton’s PredictPulse monitoring service to proactively identify component risks, reduce downtime, and expedite critical alarm response

Static Transfer Switch: STS

WaveStar STS

Standard Features

- Front access for normal operation.
- NEMA 1 enclosure.
- ETL listed to UL 1008.
- Bottom or top entry/exit.
- System rated for 22 kAIC @ 480V.
- “Real time” waveform capture and monitor as a BCMS Hub.
- Fail safe dual redundant display.
- 10.4” diagonal LCD touch screen.
- 3-Pole Switching.
- Triple redundant logic & power supplies.
- Convection cooling for 250A and 400A units.
- Redundant fans provided for 600A and 800A units.
- Dual input power system with automatic sense and transfer option.
- Volt Second Synchronization algorithm limiting in-rush to 2.0 times.
- Standard password and pin code lockout protection (no key required).
- Five (5) or six (6) non-automatic circuit breakers; two (2) input, two (2) bypass, one (1) isolation (standard) or two (2) isolation (optional).
- Monitoring package communication protocols: Modbus RTU, SNMP or Web enabled (TCP/IP).
- Optional Sidecars with Distribution Options - 250A, 400A, 600A, 800A
- Optional Floor Stands - 18" to 48"

POWER-SUPPRESS 100: 500 to 7500 VA

Ultra-isolator Noise Suppressor and Isolation Provider

The Power-Suppress 100 offers the following advanced features:

- Traps unwanted harmonics
- Removes surge voltages and minimizes reflected THD
- Eliminates load generated feedback
- Available in both hardwired or line cord/receptacle models
- Fast and easy installation
- Long life operation
- Small footprint—saves valuable space
- Meets FCC Category A
- UL 1012, cUL, UL 1449

* Please note the higher input voltage on these models

Power-Suppress 600

The Power-Suppress 600 provides High Efficiency Isolation and Power Conditioning

- Traps unwanted harmonics
- Removes surge voltages and minimizes reflected THD
- Eliminates load generated feedback
- K Rated for high harmonic content Loads
- Triple shielded, computer grade transformer
- Highly efficient—97% typical
- IR Scanning Window for ease of maintenance and safety
- Transient protection and high frequency filter

Power-Sure 700

The Power-Sure 700 provides intelligent protection for transmitters & industrial controls.

- Fast microprocessor controlled voltage regulation
- Tight output voltage regulation
- Zero-current switching
- Wide input regulation range
- Triple shielded, computer grade transformer
- Highly efficient—97% typical
- High inrush capability
- Transient protection and high frequency filter
- Includes input circuit breaker
- Manual bypass switch

Optional 10-45 kVA

Standard 50+ kVA

Power-Sure 800

Power Conditioners (500VA to 25 kVA)
 Superior power conditioning for industrial, commercial and medical equipment. Power-Sure 800 power conditioners provide high quality power with inherent surge protection, noise and bi-directional harmonic filtering, as well as superior isolation. Power-Sure 800 units range from office models to floor or wall/panel mounted industrial models and provide an excellent solution for any application with noisy or poor power quality.

- Superior isolation
- Tight voltage regulation
- High immunity to distortion
- Lightning and surge protection
- Protection against power interruptions
- Power factor correction
- Bi-directional harmonic filtering
- Meets ANSI standards for computers with inputs as low as 50% of nominal
- UL 1012, UL 544 and cUL Listed
- K-30 rated design

Intelligent Power Manager (IPM) version 2.X (NEW)

See notes below regarding new node definition and maintenance support requirement

Description	Catalog Number	US List price
IPM MONITOR, Discounting available above 25 Monitored nodes - please contact your sales rep		
IPM Monitor 1 Yr Maint., per node	IPM-MO-M1	\$9
IPM Monitor 5 Yr Maint., per node	IPM-MO-M5	\$39
IPM Monitor perpetual, and 1 Yr Maint bundle, per node	IPM-MO-P1	\$50
IPM Monitor perpetual, and 5 Yr Maint bundle, per node	IPM-MO-P5	\$80
IPM Monitor Subscription, 1 Yr, per node	IPM-MO-SUB1	\$20
IPM MANAGE, Discounting available above 25 Managed nodes - please contact your sales rep		
IPM Manage 1 Yr Maint., per node	IPM-MA-M1	\$23
IPM Manage 5 Yr Maint., per node	IPM-MA-M5	\$109
IPM Manage perpetual, and 1 Yr Maint bundle, per node	IPM-MA-P1	\$138
IPM Manage perpetual, and 5 Yr Maint bundle, per node	IPM-MA-P5	\$214
IPM Manage Subs., 1 Yr, per node	IPM-MA-SUB1	\$56
IPM OPTIMIZE, Discounting available above 5 Optimized nodes - please contact your sales rep		
IPM Optimize 1 Yr Maint., per node	IPM-OP-M1	\$48
IPM Optimize 5 Yr Maint., per node	IPM-OP-M5	\$228
IPM Optimize perpetual, and 1 Yr Maint bundle, per node	IPM-OP-P1	\$288
IPM Optimize perpetual, and 5 Yr Maint bundle, per node	IPM-OP-P5	\$468
IPM Optimize Subs., 1 Yr, per node	IPM-OP-SUB1	\$117
IPM GRAPHITE / GRAFANA ADD-ON (Discounting available above 25 monitored nodes)		
IPM - Graphite / Grafana add-on, 1 Yr, per node	IPM-GRAPHITE	\$10

Notes - new for IPM version 2.X

A node equals a power device (UPS / rack PDU), a hypervisor, a non-virtualized server or a storage unit

A maintenance package must be purchased concurrently with a perpetual license

SURGE PROTECTION

PSPD SERIES

Eaton’s PSPD series of surge protection devices ensure that critical equipment is protected with the safest, most reliable and most advanced UL 1449 3rd Edition certified surge protectors. The array of features, options, and configurations ensures there is a unit for all electrical applications, including service entrances, data centers, critical distribution switchboards and panelboards, and PDUs and RPPs.

- Common voltages and configurations as well as a variety of surge current capacity ratings from 50 through 400 kA provide application flexibility.
- UL 1449 3rd Edition recognized component for the United States and Canada, covered by Underwriters Laboratories certification and follow-up service.
- Utilizes self-protected protected metal oxide varistor (MOV) technology, which provides both high energy capacity and fail-safe operation.
- Side mount units offer factory-sealed assembly, which prevents arc flash and shock hazards.
- Standard units include EMI/RFI filtering to provide effective protection for sensitive electronic loads.
- Side mount units contain no replaceable parts or items that require periodic maintenance thus reducing maintenance costs.

SERVICES

Single-phase Service Plans

EATON PQ SINGLE-PHASE SERVICE RESPONSE TIME TOOL

Eaton offers world-class service for Eaton UPS products. Our factory-certified and trained service technicians deliver 7x24 support including on-site corrective and preventive maintenance. Next business day and faster response times are only available in certain zip codes. For the response times available in a given area, please check the Contract Service Response Time Tool found at the following link:

<http://powerquality.eaton.com/Products-services/services/responsetime/default.asp>

SELECTING A SERVICE PLAN

Eaton single-phase UPSs come with warranty coverage that typically includes parts and labor for electronics, 7x24 Customer Reliability Center triage and 7x24 technical support access. But to extend the term of the base factory warranty and expedite service delivery, you should recommend a service plan. The best service plans are essentially offered in two categories:

1. Extended Warranty (recommended for UPSs below 5 kVA or non-hardwired units - return to factory for exchange)

When your customer notifies Eaton about a defective unit, Eaton ships a replacement unit overnight. Upon receipt of the new UPS, the customer returns the defective unit to Eaton via ground shipment. The freight for both units is paid by Eaton. There is a 7 year cap on depot exchange units from date of shipment ,

2. Onsite service and repair (recommended for UPSs 5 kVA and above - upgrade 2 year factory warranty for 7x24 next day or 8-hour

Onsite service is a standard 7x24, next day or 8-hour (based on availability) response level of coverage – for detailed information, visit: www.eaton.com/upsservices.

Note: 9155 service uses 3 Phase service pricing and can be found in the 3 Phase price book or service configurator

The following features can be added to onsite service to guarantee unparalleled UPS performance:

- Comprehensive coverage of the UPS and batteries; if external (EBM) batteries exist coverage for EBM's must be purchased.
- Telephone technical support (included in the warranty)
- PredictPulse remote monitoring: To learn more, activate or arrange a 90-day free trial of PredictPulse, visit Eaton.com/PredictPulse
- Connectivity support (included in the warranty)
- Expedited delivery of replacement parts, modules and batteries
- Onsite startup
- Onsite corrective maintenance
- Next-day 24-hour or 8-hour response(where available)
- Annual UPS and/or battery preventive maintenance

EXTENDED WARRANTIES - DEPOT EXCHANGE (CONCURRENT)

Important Notes:

- 1) Extended Warranty extends term of Factory Warranty and adds Advanced Exchange
- 2) Factory Warranty - Return
 - Customer returns unit to Eaton (customer pays freight)
 - Eaton ground ships replacement unit (on receipt of defective unit)
 - Eaton covers freight to customer
- 3) Advanced Exchange - Return Process
 - Eaton overnight ships replacement unit (on customer contact)
 - Customer returns defective unit in overnight packaging
 - Eaton covers freight in both directions
- 4) Advanced Exchange multiplier matches new product (hardware) multiplier
- 5) Prices apply to equipment installed in US 50 states
- 6) 9PXM uses the total KVA installed for service pricing (e. 4kVA N+1 = 8kVA)
- 7) Above prices are for concurrently sold services (with a new product sale); for non-concurrent service pricing and availability contact Eaton at 800-843-9433 opt. 4 or insideservicesales@eaton.com
- 8) Renewals beyond the initial warranty or extension must be purchased prior to any lapse in coverage or a new battery purchase is required (no grace period)
- 9) For on-site service plans on units that are 8kva and higher, a UPS PM is required every 4-Years (the fourth and fifth year on-site coverage must include one or more PMs).

RMA POLICY AND PRODUCT WARRANTIES

Sales Returned Merchandise Authorization (RMA) Policy

Written authority from Eaton must be obtained before any return or credit will be allowed.

Sales RMAs will be issued for new, unused equipment that is:

- A. Within 30 days of original shipment date
- B. Returned in original sealed packaging
- C. Returned in unmodified, untampered, original condition
- D. A current design

Cancellations and Erroneous Orders:

Any order for standard Eaton products may not be cancelled within thirty days of the date scheduled for shipment/delivery by Eaton. Otherwise the order may be cancelled in accordance with the following:

- Sales RMAs issued for cancellations and erroneous orders will be subject to a minimum 15% restocking/
- Restocking/cancellation fee for standard product will be 15%
- Restocking/cancellation fee for special, custom or configured products will be a minimum of 50%
- The buyer is responsible for both inbound and outbound freight charges

Note: Charges may be waived by mutual agreement between buyer and seller. Proper approval and authorization must be obtained and documented in writing before the transaction is initiated.

Erroneous Shipments:

Sales RMAs necessary as a result of shipping/order entry errors will be issued and transacted with no charge to the buyer. Eaton will pay inbound freight, and outbound freight will be similar service level as

RMA Expiration:

An RMA is valid for 60 calendar days from date of authorization by Eaton, after which it is subject to cancel

Sales Contracts:

An active Sales Contract with clauses relating to return of product for sales credits may supersede the Sales RMA policy statements above.

To request a Sales RMA please contact:

WARRANTY

Eaton Corporation Load Protection Guarantee (US and Canada)

UPS MODELS: 3S, 5S, 5SC, 5P, 5P Lithium-ion, 5PX, 5PX G2, 9130, 9PX, 9PX Lithium-ion, 9155, 9170+, FERRUPS and Ferrups FX

GUARANTOR: The Guarantor for the load protection guaranty set forth herein is Eaton (“Company”).

LIMITED GUARANTY: This load protection guaranty (this "Guaranty") applies only to the original End-user (the "End-user") of any 3S, 5S, 5SC, 5P, [5P Lithium-ion](#), 5PX, 5PX G2, 9130, 9PX, [9PX Lithium-ion](#), 9155, 9170+, FERRUPS and Ferrups FX Products (individually and collectively, the "Product") and cannot be transferred. This Guaranty applies even in the event that the Product is initially sold by Company for resale to an End-User.

WHAT THIS GUARANTY COVERS: For the lifetime of the Product, Guarantor promises to repair or replace, at Guarantor's option, the equipment (valued up to the limits shown below*) that is damaged by an AC power line surge, spike or other transient when properly connected to Guarantor's uninterruptible power system (“UPS”). Reimbursement for or restoration of data loss excluded. This Guaranty applies only if all of the following circumstances arise:

1. The UPS is plugged into properly grounded and wired outlets, using no extension cords, adapters, other ground wires or other electrical connectors
2. The installation of the UPS complies with all applicable electrical and safety codes described by the National Electric Code (NEC);
3. The UPS was used under normal operating conditions and in accordance with all labels and instructions; and
4. The UPS was not damaged by accident (other than AC power line transient), misuse or abuse.

***Cumulative Limits to be paid by Guarantor under this Load Protection Guaranty:**

\$25,000 for UPS Model 3S

\$150,000 for UPS Models 5S, 5SC, 5110, 5115, 5125, 5P, 5P Lithium-ion, 5PX and 5PX G2

\$250,000 for UPS Models 9130, 9135, 9140, , 9PX, 9PX Lithium-ion, 9155, 9170+, and FERRUPS and Ferrups FX productsproducts

WHAT THIS GUARANTY DOES NOT COVER: Any reimbursement or repair to End-user's equipment does not include reimbursement for or restoration of any data loss. This Guaranty does not cover any defects or damages caused by: (a) failure to properly store the Product before installation, including the charge of batteries no later than the date indicated on the packaging; (b) shipping and delivery of the Product if shipping is FOB Factory; (c) neglect, accident, abuse, misuse, misapplication, or incorrect installation of Product; (d) repair or alteration of Product not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; (e) improper testing, operation, maintenance, adjustment, or modification of any kind to the Product not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; or (f) use of the Product under other than normal operating conditions or in a manner inconsistent with the Product's labels or instructions.

This Guaranty is not valid: (a) unless the End-user returns to Company the Warranty Registration Card or completes the registration form on www.powerquality.eaton.com/productregistration within thirty (30) days of purchase; or (b) if the Product's serial numbers have been removed or are illegible.

Company shall not be responsible for any charges for testing, checking, removal or installation of any items.

LIMITATION OF LIABILITY: THE REMEDIES OF THE END-USER SET FORTH HEREIN ARE EXCLUSIVE AND ARE THE SOLE REMEDIES FOR ANY FAILURE OF COMPANY TO COMPLY WITH ITS OBLIGATIONS HEREUNDER. EXCEPT AS OTHERWISE PROVIDED FOR IN THIS GUARANTY, IN NO EVENT SHALL COMPANY BE LIABLE IN CONTRACT, IN TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE FOR DAMAGE TO PROPERTY OR EQUIPMENT OTHER THAN THE PRODUCTS, INCLUDING LOSS OF PROFITS OR REVENUE, LOSS OF USE OF PRODUCTS, LOSS OF DATA, COST OF CAPITAL, CLAIMS OF CUSTOMERS OF THE END-USER OR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES WHATSOEVER. THE TOTAL CUMULATIVE LIABILITY OF COMPANY HEREUNDER WHETHER THE CLAIMS ARE BASED IN CONTRACT (INCLUDING INDEMNITY), IN TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE, SHALL NOT EXCEED THOSE SET FORTH ABOVE.

Company shall not be responsible for failure to provide repair or replacement under this Guaranty due to causes beyond Company's reasonable control.

END-USER'S OBLIGATIONS: In order to receive the benefits of this Guaranty, the End-user must use the Product in a normal way; follow the Product's operation and maintenance manual; and protect against further damage to the Product if there is a covered defect.

OTHER LIMITATIONS: Company's obligations under this Guaranty are expressly conditioned upon receipt by Company of all payments due to it (including interest charges, if any). During such time as Company has not received payment of any amount due to it for the Product, in accordance with the contract terms under which the Product is sold, Company shall have no obligation under this Guaranty.

COSTS NOT RELATED TO GUARANTY: The End-user shall be invoiced for, and shall pay for, all services not expressly provided for by the terms of this Guaranty, including without limitation, site calls involving an inspection that determines no corrective maintenance is required. Any costs for replacement equipment, installation, materials, freight charges, travel expenses or labor of Company representatives outside the terms of this Guaranty will be borne by the End-user.

TO MAKE A CLAIM: In the USA, call the Customer Reliability Center 7x24 at 800.356.5737. Outside of the USA, contact your local Eaton product sales or service representative, or call the Customer Reliability Center in the USA at 919.870.3149. For comments or questions about this Load Protection Guaranty, write to the Customer Quality Representative, 3301 Spring Forest Road, Raleigh, North Carolina 27616 USA.

WARRANTY

WARRANTY and End User License Agreement (EULA)

Limited Warranty

UPS MODELS: 3S, 5S, 5SC, 5P, 5PX AND 5PX G2 (USA AND CANADA)

END USER LICENSE AGREEMENT (EULA): Software (including any applications, firmware and/or platforms) provided with the Eaton Product to You by Eaton or Eaton authorized entities is hereby licensed to You, and Eaton retains for itself (or, if applicable, its suppliers) all title and ownership to any software delivered hereunder. Without Eaton's authorization, You shall not copy, disclose or display the software, or otherwise make it available to others, and shall not attempt any sale, transfer, sublicense, reverse compilation or disassembly or redistribution of the software. By using the software, You agree to these terms herein.

WARRANTOR: The warrantor for the limited warranties set forth herein is Eaton ("Company").

LIMITED WARRANTY: This limited warranty (this "Warranty") applies only to the original End-user (the "End-user") of any 3105, 3S, 5S, 5SC, 5110, 5115, 5125, 5P and 5PX Products (individually and collectively, the "Product") purchased on or after August 19th, 2009, and cannot be transferred. This Warranty applies even in the event that the Product is initially sold by Company for resale to an End-user.

LIMITED WARRANTY PERIOD: The period covered by this Warranty for Product installed [and currently located] in the fifty (50) United States, the District of Columbia and Canada is thirty-six (36) months from the date of purchase, or forty two (42) months from the date of shipment.

WHAT THIS LIMITED WARRANTY COVERS: The warrantor warrants that the Product and battery (individually and collectively, the "Warranted Items") are free of defects in material and workmanship. If, in the opinion of Company, a Warranted Item is defective and the defect is within the terms of this Warranty, Company's sole obligation will be to repair or replace such defective Warranted Item (including by providing service, parts and labor, as applicable), at the option of Company.

PROCEDURES FOR REPAIR OR REPLACEMENT OF WARRANTED ITEMS: The Warranted Item will be repaired or replaced at a Company site or such other location as determined by Company.

If the Warranted Item is to be replaced by Company, and the End-user supplies a credit card number or purchase order for the value of the replacement product, Company will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-user) the replacement Warranted Item to the End-user within one (1) business day after Company receives notice of the warranty claim. In such case, the End-user must return (at Company's expense) the defective Warranted Item to Company in the same packaging as the replacement Warranted Item received by the End-user or as otherwise instructed by Company. If Company does not receive the defective Warranted Item, Company will either charge the End-user's credit card, or send the End-user an invoice (which the End-user agrees to pay), for the value of the replacement product.

If the Warranted Item is to be replaced by Company, but the End-user is unwilling or unable to supply a credit card number or purchase order for the value of the replacement product, Company will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-user) the replacement Warranted Item to the End-user within one (1) business day after Company receives the defective product from the End-user.

In any case, Company will provide shipping instructions and will pay its designated carrier for all shipping charges for return of defective equipment and replacement of Warranted Items. Any returned Warranted Item or parts that are replaced may be new or reconditioned. All Warranted Items returned to Company and all parts replaced by Company shall become the property of Company.

WHAT THIS LIMITED WARRANTY DOES NOT COVER: This Warranty does not cover any defects or damages caused by: (a) failure to properly store the Product before installation, including the charge of batteries no later than the date indicated on the packaging; (b) shipping and delivery of the Product if shipping is FOB Factory; (c) neglect, accident, abuse, misuse, misapplication or incorrect installation; (d) repair or alteration not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; (e) improper testing, operation, maintenance, adjustment or modification of any kind not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; or (f) use of the Product under other than normal operating conditions or in a manner inconsistent with the Product's labels or instructions.

This Warranty is not valid if the Product's serial numbers have been removed or are illegible. Any Warranted Items repaired or replaced pursuant to this Warranty will be warranted for the remaining portion of the original Warranty subject to all the terms thereof.

Company shall not be responsible for any charges for testing, checking, removal or installation of Warranted Items.

COMPANY DOES NOT WARRANT EQUIPMENT NOT MANUFACTURED BY COMPANY. IF PERMITTED BY THE APPLICABLE MANUFACTURER, COMPANY SHALL PASS THROUGH SUCH MANUFACTURER'S WARRANTIES TO END-USER.

COMPANY DOES NOT WARRANT SOFTWARE, INCLUDING SOFTWARE EMBEDDED IN PRODUCTS, THAT IS NOT CREATED BY COMPANY. WITHOUT LIMITING THE FOREGOING, COMPANY SPECIFICALLY DOES NOT WARRANT SOFTWARE (SUCH AS LINUX) THAT WAS CREATED USING AN "OPEN SOURCE" MODEL OR IS DISTRIBUTED PURSUANT TO AN OPEN SOURCE LICENSE.

THIS WARRANTY IS THE SOLE AND EXCLUSIVE WARRANTY OFFERED BY COMPANY WITH RESPECT TO THE PRODUCTS AND SERVICES AND, EXCEPT FOR SUCH FOREGOING WARRANTY COMPANY DISCLAIMS ALL OTHER WARRANTIES INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE. CORRECTION OF NON- CONFORMITIES IN THE MANNER AND FOR THE PERIOD OF TIME PROVIDED ABOVE SHALL CONSTITUTE COMPANY'S SOLE LIABILITY AND END-USER'S EXCLUSIVE REMEDY FOR FAILURE OF COMPANY TO MEET ITS WARRANTY OBLIGATIONS, WHETHER CLAIMS OF THE END-USER ARE BASED IN CONTRACT, IN TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE.

WARRANTY

LIMITATION OF LIABILITY: The remedies of the End-user set forth herein are exclusive and are the sole remedies for any failure of Company to comply with its obligations hereunder. In no event shall Company be liable in contract, in tort (including negligence or strict liability) or otherwise for damage to property or equipment other than the Products, including loss of profits or revenue, loss of use of Products, loss of data, cost of capital, claims of customers of the End-user or any special, indirect, incidental or consequential damages whatsoever. The total cumulative liability of Company hereunder whether the claims are based in contract (including indemnity), in tort (including negligence or strict liability) or otherwise, shall not exceed the price of the Product on which such liability is based.

WARRANTY

Limited Warranty

UPS MODELS: 3S, 5S, 5SC, 5P, 5PX AND 5PX G2 (USA AND CANADA)

Company shall not be responsible for failure to provide service or parts due to causes beyond Company's reasonable control.

END-USER'S OBLIGATIONS: In order to receive the benefits of this Warranty, the End-user must use the Product in a normal way; follow the Product's operation and maintenance manual; and protect against further damage to the Product if there is a covered defect.

OTHER LIMITATIONS: Company's obligations under this Warranty are expressly conditioned upon receipt by Company of all payments due to it (including interest charges, if any). During such time as Company has not received payment of any amount due to it for the Product, in accordance with the contract terms under which the Product is sold, Company shall have no obligation under this Warranty. Also during such time, the period of this Warranty shall continue to run and the expiration of this Warranty shall not be extended upon payment of any overdue or unpaid amounts.

COSTS NOT RELATED TO WARRANTY: The End-user shall be invoiced for, and shall pay for, all services not expressly provided for by the terms of this Warranty, including without limitation, site calls involving an inspection that determines no corrective maintenance is required. Any costs for replacement equipment, installation, materials, freight charges, travel expenses or labor of Company representatives outside the terms of this Warranty will be borne by the End-user.

OBTAINING WARRANTY SERVICE: In the USA, call the Customer Reliability Center 7x24 at 800.356.5737. Outside of the USA, contact your local Eaton product sales or service representative for units purchased from those countries, or call the Customer Reliability Center in the USA at 919.845.3683 for units purchased in the USA that were shipped overseas. For comments or questions about this Warranty, write to the Customer Quality Representative, 8609 Six Forks Road, Raleigh, North Carolina 27615 USA.

WARRANTY

Five-Year Limited Warranty (US and Canada)

Eaton UPS Models: 5P Lithium-ion

WARRANTOR: The warrantor for the limited warranties set forth herein is Eaton Corporation, an Ohio Corporation company ("Company").

LIMITED WARRANTY: This limited warranty (this "Warranty") applies only to the original End-User (the "End-User") of any Eaton 5P Lithium-ion Products (individually and collectively, the "Product") purchased on or after November 1, 2017 and cannot be transferred. This Warranty applies even in the event that the Product is initially sold by November 1, 2017 and cannot be transferred. This Warranty applies even in the event that the Product is initially sold by Company for resale to an End-User.

LIMITED WARRANTY PERIOD: For units which are registered online at Eaton.com/upsregister the period covered by this Warranty for Product installed [and currently located] in the fifty (50) United States, the District of Columbia, and Canada is sixty (60) months from the date of purchase, or sixty six (66) months from the date of shipment.

WHAT THIS LIMITED WARRANTY COVERS: The warrantor warrants that the Product and battery (individually and collectively, the "Warranted Items") are free from defects in material and workmanship. If, in the opinion of Company, a Warranted Item is defective and the defect is within the terms of this Warranty, Company's sole obligation will be to repair or replace such defective Warranted Item (including by providing service, parts and labor, as applicable), at the option of Company.

PROCEDURES FOR REPAIR OR REPLACEMENT OF WARRANTED ITEMS: The Warranted Item will be repaired or replaced at a Company site or such other location as determined by Company.

If the Warranted Item is to be replaced by Company, and the End-User supplies a credit card number or purchase order for the value of the replacement Product, Company will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-User) the replacement Warranted Item to the End-User within one (1) business day after Company receives notice of the warranty claim. In such case, the End-User must return (at Company's expense) the defective Warranted Item to Company in the same packaging as the replacement Warranted Item received by the End-User or as otherwise instructed by Company. If Company does not receive the defective Warranted Item, Company will either charge the End-User's credit card, or send the End-User an invoice (which the End-User agrees to pay), for the value of the replacement Product.

If the Warranted Item is to be replaced by Company, but the End-User is unwilling or unable to supply a credit card number or purchase order for the value of the replacement Product, Company will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-User) the replacement Warranted Item to the End-User within one (1) business day after Company receives the defective Product from the End-User.

In any case, Company will provide shipping instructions and will pay its designated carrier for all shipping charges for return of defective equipment and replacement of Warranted Items. Any returned Warranted Item or parts that are replaced may be new or reconditioned. All Warranted Items returned to Company and all parts replaced by Company shall become the property of Company.

WHAT THIS LIMITED WARRANTY DOES NOT COVER: This Warranty does not cover any defects or damages caused by: (a) failure to properly store the Product before installation, including the charge of batteries no later than the date indicated on the packaging; (b) shipping and delivery of the Product if shipping is FOB Factory; (c) neglect, accident, abuse, misuse, misapplication, or incorrect installation; (d) repair or alteration not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; (e) improper testing, operation, maintenance, adjustment, or an authorized Company Customer Service Engineer or Agent; (e) improper testing, operation, maintenance, adjustment, or modification of any kind not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; or (f) use of the Product under other than normal operating conditions or in a manner inconsistent with the Product's labels or instructions.

This Warranty is not valid if the Product's serial numbers have been removed or are illegible. Any Warranted Items repaired or replaced pursuant to this Warranty will be warranted for the remaining portion of the original Warranty subject to all the terms thereof.

Company shall not be responsible for any charges for testing, checking, removal, or installation of Warranted Items.

COMPANY DOES NOT WARRANT EQUIPMENT NOT MANUFACTURED BY COMPANY. IF PERMITTED BY THE APPLICABLE MANUFACTURER, COMPANY SHALL PASS THROUGH SUCH MANUFACTURER'S WARRANTIES TO END-USER.

COMPANY DOES NOT WARRANT SOFTWARE, INCLUDING SOFTWARE EMBEDDED IN PRODUCTS, THAT IS NOT CREATED BY COMPANY. WITHOUT LIMITING THE FOREGOING, COMPANY SPECIFICALLY DOES NOT WARRANT SOFTWARE (SUCH AS LINUX) THAT WAS CREATED USING AN "OPEN SOURCE" MODEL OR IS DISTRIBUTED PURSUANT TO AN OPEN SOURCE LICENSE.

THIS WARRANTY IS THE SOLE AND EXCLUSIVE WARRANTY OFFERED BY COMPANY WITH RESPECT TO THE PRODUCTS AND SERVICES AND, EXCEPT FOR SUCH FOREGOING WARRANTY COMPANY DISCLAIMS ALL OTHER WARRANTIES INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE. CORRECTION OF NON-CONFORMITIES IN THE MANNER AND FOR THE PERIOD OF TIME PROVIDED ABOVE SHALL CONSTITUTE COMPANY'S SOLE LIABILITY AND END-USER'S EXCLUSIVE REMEDY FOR FAILURE OF COMPANY TO MEET ITS WARRANTY OBLIGATIONS, WHETHER CLAIMS OF THE END-USER ARE BASED IN CONTRACT, IN TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY), OR OTHERWISE.

WARRANTY

Five-Year Limited Warranty (US and Canada)

Eaton UPS Models: 5P Lithium-ion

LIMITATION OF LIABILITY: The remedies of the End-User set forth herein are exclusive and are the sole remedies for any failure of Company to comply with its obligations hereunder. In no event shall Company be liable in contract, in tort (including negligence or strict liability) or otherwise for damage to property or equipment other than the Products, including loss of profits or revenue, loss of use of Products, loss of data, cost of capital, claims of customers of the End-User, or any special, indirect, or revenue, loss of use of Products, loss of data, cost of capital, claims of customers of the End-User, or any special, indirect, incidental, or consequential damages whatsoever. The total cumulative liability of Company hereunder whether the claims are based in contract (including indemnity), in tort (including negligence or strict liability), or otherwise, shall not exceed the price of the Product on which such liability is based.

Company shall not be responsible for failure to provide service or parts due to causes beyond Company's reasonable control.

END-USER'S OBLIGATIONS: In order to receive the benefits of this Warranty, the End-User must use the Product in a normal way; follow the Product's user's guide; and protect against further damage to the Product if there is a covered defect.

OTHER LIMITATIONS: Company's obligations under this Warranty are expressly conditioned upon receipt by Company of all payments due to it (including interest charges, if any). During such time as Company has not received payment of any amount due to it for the Product, in accordance with the contract terms under which the Product is sold, Company shall have no obligation under this Warranty. Also during such time, the period of this Warranty shall continue to run and the expiration of this Warranty shall not be extended upon payment of any overdue or unpaid amounts.

COSTS NOT RELATED TO WARRANTY: The End-User shall be invoiced for, and shall pay for, all services not expressly provided for by the terms of this Warranty, including without limitation, site calls involving an inspection that determines no corrective maintenance is required. Any costs for replacement equipment, installation, materials, freight charges, travel expenses, or maintenance is required. Any costs for replacement equipment, installation, materials, freight charges, travel expenses, or labor of Company representatives outside the terms of this Warranty will be borne by the End-User.

OBTAINING WARRANTY SERVICE: In the USA, call the Customer Reliability Center 7x24 at 800-356-5737. Outside of the USA, call your local Eaton product sales or service representative. For comments or questions about this Warranty, write to the Customer Quality Representative, 3301 Spring Forest Road, Raleigh, North Carolina 27616 USA.

WARRANTY

Two-Year Limited Warranty

UPS MODELS: 9130, 9SX, 9135, 9140, 9PX AND FERRUPS UP TO 3.1 kVA (USA AND CANADA)

WARRANTOR: The warrantor for the limited warranties set forth herein is Eaton ("Company").

LIMITED WARRANTY: This limited warranty (this "Warranty") applies only to the original End-user (the "End-user") of any 9130, 9SX, 9135, 9140, 9PX and FERRUPS up to 3.1 kVA Products (individually and collectively, the "Product") purchased on or after June 1, 2004, and cannot be transferred. This Warranty applies even in the event that the Product is initially sold by Company for resale to an End-user.

LIMITED WARRANTY PERIOD: The period covered by this Warranty for Product installed [and currently located] in the fifty (50) United States, the District of Columbia and Canada is twenty-four (24) months from the date of purchase, or thirty (30) months from the date of shipment.

WHAT THIS LIMITED WARRANTY COVERS: The warrantor warrants that the Product and battery (individually and collectively, the "Warranted Items") are free of defects in material and workmanship. If, in the opinion of Company, a Warranted Item is defective and the defect is within the terms of this Warranty, Company's sole obligation will be to repair or replace such defective Warranted Item (including by providing service, parts and labor, as applicable), at the option of Company.

PROCEDURES FOR REPAIR OR REPLACEMENT OF WARRANTED ITEMS: The Warranted Item will be repaired or replaced at a Company site or such other location as determined by Company.

If the Warranted Item is to be replaced by Company, and the End-user supplies a credit card number or purchase order for the value of the replacement product, Company will use

If the Warranted Item is to be replaced by Company, but the End-user is unwilling or unable to supply a credit card number or purchase order for the value of the replacement product, Company will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-user) the replacement Warranted Item to the End-user within one (1) business day after Company receives the defective product from the End-user.

In any case, Company will provide shipping instructions and will pay its designated carrier for all shipping charges for return of defective equipment and replacement of Warranted Items. Any returned Warranted Item or parts that are replaced may be new or reconditioned. All Warranted Items returned to Company and all parts replaced by Company shall become the property of Company.

WHAT THIS LIMITED WARRANTY DOES NOT COVER: This Warranty does not cover any defects or damages caused by: (a) failure to properly store the Product before installation, including the charge of batteries no later than the date indicated on the packaging; (b) shipping and delivery of the Product if shipping is FOB Factory; (c) neglect, accident, abuse, misuse, misapplication or incorrect installation; (d) repair or alteration not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; (e) improper testing, operation, maintenance, adjustment or modification of any kind not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; or (f) use of the Product under other than normal operating conditions or in a manner inconsistent with the Product's labels or instructions.

This Warranty is not valid if the Product's serial numbers have been removed or are illegible. Any Warranted Items repaired or replaced pursuant to this Warranty will be warranted for the remaining portion of the original Warranty subject to all the terms thereof.

Company shall not be responsible for any charges for testing, checking, removal or installation of Warranted Items.

COMPANY DOES NOT WARRANT EQUIPMENT NOT MANUFACTURED BY COMPANY. IF PERMITTED BY THE APPLICABLE MANUFACTURER, COMPANY SHALL PASS THROUGH SUCH

COMPANY DOES NOT WARRANT SOFTWARE, INCLUDING SOFTWARE EMBEDDED IN PRODUCTS, THAT IS NOT CREATED BY COMPANY. WITHOUT LIMITING THE FOREGOING, COMPANY SPECIFICALLY DOES NOT WARRANT SOFTWARE (SUCH AS LINUX) THAT WAS CREATED USING AN "OPEN SOURCE" MODEL OR IS DISTRIBUTED PURSUANT TO AN OPEN SOURCE LICENSE.

THIS WARRANTY IS THE SOLE AND EXCLUSIVE WARRANTY OFFERED BY COMPANY WITH RESPECT TO THE PRODUCTS AND SERVICES AND, EXCEPT FOR SUCH FOREGOING WARRANTY COMPANY DISCLAIMS ALL OTHER WARRANTIES INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE. CORRECTION OF NON- CONFORMITIES IN THE MANNER AND FOR THE PERIOD OF TIME PROVIDED ABOVE SHALL CONSTITUTE COMPANY'S SOLE LIABILITY AND END-USER'S EXCLUSIVE REMEDY FOR FAILURE OF COMPANY TO MEET ITS WARRANTY OBLIGATIONS, WHETHER CLAIMS OF THE END-USER ARE BASED IN CONTRACT, IN TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE.

WARRANTY

Two-Year Limited Warranty

UPS MODELS: 9130, 9SX, 9135, 9140, 9PX AND FERRUPS UP TO 3.1 kVA (USA AND CANADA)

LIMITATION OF LIABILITY: The remedies of the End-user set forth herein are exclusive and are the sole remedies for any failure of Company to comply with its obligations hereunder. In no event shall Company be liable in contract, in tort (including negligence or strict liability) or otherwise for damage to property or equipment other than the Products, including loss of profits or revenue, loss of use of Products, loss of data, cost of capital, claims of customers of the End-user or any special, indirect, incidental or consequential damages whatsoever. The total cumulative liability of Company hereunder whether the claims are based in contract (including indemnity), in tort (including negligence or strict liability) or otherwise, shall not exceed the price of the Product on which such liability is based.

Company shall not be responsible for failure to provide service or parts due to causes beyond Company's reasonable control.

END-USER'S OBLIGATIONS: In order to receive the benefits of this Warranty, the End-user must use the Product in a normal way; follow the Product's operation and maintenance manual; and protect against further damage to the Product if there is a covered defect.

OTHER LIMITATIONS: Company's obligations under this Warranty are expressly conditioned upon receipt by Company of all payments due to it (including interest charges, if any). During such time as Company has not received payment of any amount due to it for the Product, in accordance with the contract terms under which the Product is sold, Company's obligations under this Warranty are suspended.

COSTS NOT RELATED TO WARRANTY: The End-user shall be invoiced for, and shall pay for, all services not expressly provided for by the terms of this Warranty, including without

Five-Year Limited Warranty (US and Canada)

Eaton UPS Models: 9PX Lithium

WARRANTOR: The warrantor for the limited warranties set forth herein is Eaton Corporation, an Ohio Corporation company ("Company").

LIMITED WARRANTY: This limited warranty (this "Warranty") applies only to the original End-User (the "End-User") of any Eaton 9PX Lithium-ion Products (individually and collectively, the "Product") purchased on or after March 1, 2021 and cannot be transferred. This Warranty applies even in the event that the Product is initially sold by March 1, 2021 and cannot be transferred. This Warranty applies even in the event that the Product is initially sold by Company for resale to an End-User.

LIMITED WARRANTY PERIOD: The period covered by this Warranty for Product installed [and currently located] in the fifty (50) United States, the District of Columbia, and Canada is sixty (60) months from the date of purchase, or sixty six (66) months from the date of shipment.

WHAT THIS LIMITED WARRANTY COVERS: The warrantor warrants that the Product and battery (individually and collectively, the "Warranted Items") are free from defects in material and workmanship. If, in the opinion of Company, a Warranted Item is defective and the defect is within the terms of this Warranty, Company's sole obligation will be to repair or replace such defective Warranted Item (including by providing service, parts and labor, as applicable), at the option of Company.

PROCEDURES FOR REPAIR OR REPLACEMENT OF WARRANTED ITEMS: The Warranted Item will be repaired or replaced at a Company site or such other location as determined by Company.

If the Warranted Item is to be replaced by Company, and the End-User supplies a credit card number or purchase order for the value of the replacement Product, Company will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-User) the replacement Warranted Item to the End-User within one (1) business day after Company receives notice of the warranty claim. In such case, the End-User must return (at Company's expense) the defective Warranted Item to Company in the same packaging as the replacement Warranted Item received by the End-User or as otherwise instructed by Company. If Company does not receive the defective Warranted Item, Company will either charge the End-User's credit card, or send the End-User an invoice (which the End-User agrees to pay), for the value of the replacement Product.

If the Warranted Item is to be replaced by Company, but the End-User is unwilling or unable to supply a credit card number or purchase order for the value of the replacement Product, Company will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-User) the replacement Warranted Item to the End-User within one (1) business day after Company receives the defective Product from the End-User.

In any case, Company will provide shipping instructions and will pay its designated carrier for all shipping charges for return of defective equipment and replacement of Warranted Items. Any returned Warranted Item or parts that are replaced may be new or reconditioned. All Warranted Items returned to Company and all parts replaced by Company shall become the property of Company.

WHAT THIS LIMITED WARRANTY DOES NOT COVER: This Warranty does not cover any defects or damages caused by: (a) failure to properly store the Product before installation, including the charge of batteries no later than the date indicated on the packaging; (b) shipping and delivery of the Product if shipping is FOB Factory; (c) neglect, accident, abuse, misuse, misapplication, or incorrect installation; (d) repair or alteration not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; (e) improper testing, operation, maintenance, adjustment, or an authorized Company Customer Service Engineer or Agent; (e) improper testing, operation, maintenance, adjustment, or modification of any kind not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; or (f) use of the Product under other than normal operating conditions or in a manner inconsistent with the Product's labels or instructions.

WARRANTY

This Warranty is not valid if the Product's serial numbers have been removed or are illegible. Any Warranted Items repaired or replaced pursuant to this Warranty will be warranted for the remaining portion of the original Warranty subject to all the terms thereof.

COMPANY DOES NOT WARRANT EQUIPMENT NOT MANUFACTURED BY COMPANY. IF PERMITTED BY THE APPLICABLE MANUFACTURER, COMPANY SHALL PASS THROUGH SUCH MANUFACTURER'S WARRANTIES TO END-USER.

COMPANY DOES NOT WARRANT SOFTWARE, INCLUDING SOFTWARE EMBEDDED IN PRODUCTS, THAT IS NOT CREATED BY COMPANY. WITHOUT LIMITING THE FOREGOING, COMPANY SPECIFICALLY DOES NOT WARRANT SOFTWARE (SUCH AS LINUX) THAT WAS CREATED USING AN "OPEN SOURCE" MODEL OR IS DISTRIBUTED PURSUANT TO AN OPEN SOURCE LICENSE.

WARRANTY

THIS WARRANTY IS THE SOLE AND EXCLUSIVE WARRANTY OFFERED BY COMPANY WITH RESPECT TO THE PRODUCTS AND SERVICES AND, EXCEPT FOR SUCH FOREGOING WARRANTY COMPANY DISCLAIMS ALL OTHER WARRANTIES INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE. CORRECTION OF NON-CONFORMITIES IN THE MANNER AND FOR THE PERIOD OF TIME PROVIDED ABOVE SHALL CONSTITUTE COMPANY'S SOLE LIABILITY AND END-USER'S EXCLUSIVE REMEDY FOR FAILURE OF COMPANY TO MEET ITS WARRANTY OBLIGATIONS, WHETHER CLAIMS OF THE END-USER ARE BASED IN CONTRACT, IN TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY), OR OTHERWISE.

Five-Year Limited Warranty (US and Canada)

Eaton UPS Models: 9PX Lithium-ion

LIMITATION OF LIABILITY: The remedies of the End-User set forth herein are exclusive and are the sole remedies for any failure of Company to comply with its obligations hereunder. In no event shall Company be liable in contract, in tort (including negligence or strict liability) or otherwise for damage to property or equipment other than the Products, including loss of profits or revenue, loss of use of Products, loss of data, cost of capital, claims of customers of the End-User, or any special, indirect, or revenue, loss of use of Products, loss of data, cost of capital, claims of customers of the End-User, or any special, indirect, incidental, or consequential damages whatsoever. The total cumulative liability of Company hereunder whether the claims are based in contract (including indemnity), in tort (including negligence or strict liability), or otherwise, shall not exceed the price of the Product on which such liability is based.

Company shall not be responsible for failure to provide service or parts due to causes beyond Company's reasonable control.

END-USER'S OBLIGATIONS: In order to receive the benefits of this Warranty, the End-User must use the Product in a normal way; follow the Product's user's guide; and protect against further damage to the Product if there is a covered defect.

OTHER LIMITATIONS: Company's obligations under this Warranty are expressly conditioned upon receipt by Company of all payments due to it (including interest charges, if any). During such time as Company has not received payment of any amount due to it for the Product, in accordance with the contract terms under which the Product is sold, Company shall have no obligation under this Warranty. Also during such time, the period of this Warranty shall continue to run and the expiration of this Warranty shall not be extended upon payment of any overdue or unpaid amounts.

COSTS NOT RELATED TO WARRANTY: The End-User shall be invoiced for, and shall pay for, all services not expressly provided for by the terms of this Warranty, including without limitation, site calls involving an inspection that determines no corrective maintenance is required. Any costs for replacement equipment, installation, materials, freight charges, travel expenses, or maintenance is required. Any costs for replacement equipment, installation, materials, freight charges, travel expenses, or labor of Company representatives outside the terms of this Warranty will be borne by the End-User.

OBTAINING WARRANTY SERVICE: In the USA, call the Customer Reliability Center 7x24 at 800-356-5737. Outside of the USA, call your local Eaton product sales or service representative. For comments or questions about this Warranty, write to the Customer Quality Representative, 3301 Spring Forest Road, Raleigh, North Carolina 27616 USA.

WARRANTY

Two-Year Limited Warranty

UPS MODELS: 9PXM, 9170+ AND FERRUPS 4.3-18 kVA (USA AND CANADA)

WARRANTOR: The warrantor for the limited warranties set forth herein is Eaton ("Company").

LIMITED WARRANTY: This limited warranty (this "Warranty") applies only to the original end-user (the "End-user") of any 9PXM, 9170 and FERRUPS 4.3-1 kVA Products (individually and collectively, the "Product") purchased on or after June 1, 2004, and cannot be transferred. This Warranty applies even in the event that the Product is initially sold by Company for resale to an End-user.⁸

LIMITED WARRANTY PERIOD: The period covered by this Warranty for Product installed [and currently located] in the fifty (50) United States, the District of Columbia and Canada is twenty-four (24) months from the date of purchase for parts, or thirty (30) months from the date of shipment for parts, and ninety (90) days from the date of purchase for labor, as further clarified in the following sections.

WHAT THIS LIMITED WARRANTY COVERS: The warrantor warrants that the Product and battery (individually and collectively, the "Warranted Items") are free of defects in material and workmanship. If, in the opinion of Company, a Warranted Item is defective and the defect is within the terms of this Warranty, Company's sole obligation will be to repair or replace such defective Warranted Items (including by providing service, parts and labor, as applicable), at the option of Company, and such repair or replacement shall be at either the End-user's location, Company's site, or such other location as determined by Company. All Warranted Items returned to Company and all parts replaced by Company shall become the property of Company. Expenses for any labor to repair the Warranted Item beyond the initial ninety (90) days are the sole responsibility of the End-user.

PROCEDURES FOR REPAIR OR REPLACEMENT OF WARRANTED ITEMS: When shipment is required of End-user: When Company determines that the Warranted Item will be repaired or replaced at a Company site or such other location, and the End-user must ship to Company the defective Warranted Item, the following procedures are required.

If the Warranted Item is to be replaced by Company, and the End-user supplies a credit card number or purchase order for the value of the replacement product, Company will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-user) the replacement Warranted Item to the End-user within one (1) business day after Company receives notice of the warranty claim. In such case, the End-user must return (at Company's expense) the defective Warranted Item to Company in the same packaging as the replacement Warranted Item received by the End-user or as otherwise instructed by Company. If Company does not receive the defective Warranted Item, Company will either charge the End-user's credit card, or send the End-user an invoice (which the End-user agrees to pay), for the value of the replacement product.

If the Warranted Item is to be replaced by Company, but the End-user is unwilling or unable to supply a credit card number or purchase order for the value of the replacement product, Company will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-user) the replacement Warranted Item to the End-user within one (1) business day after Company receives the defective product from the End-user.

In any case, Company will provide shipping instructions and will pay its designated carrier for all shipping charges for return of defective equipment and replacement of Warranted Items. Any returned Warranted Item or parts that are replaced may be new or reconditioned. All Warranted Items returned to Company and all parts replaced by Company shall become the property of Company.

WHAT THIS LIMITED WARRANTY DOES NOT COVER: This Warranty does not cover any defects or damages caused by: (a) failure to properly store the Product before installation, including the charge of batteries no later than the date indicated on the packaging; (b) shipping and delivery of the Product if shipping is FOB Factory; (c) neglect, accident, abuse, misuse, misapplication or incorrect installation; (d) repair or alteration not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; (e) improper testing, operation, maintenance, adjustment or modification of any kind not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; or (f) use of the Product under other than normal operating conditions or in a manner inconsistent with the Product's labels or instructions.

This Warranty is not valid if the Product's serial numbers have been removed or are illegible. Any Warranted Items repaired or replaced pursuant to this Warranty will be warranted for the remaining portion of the original Warranty subject to all the terms thereof.

Company shall not be responsible for any charges for testing, checking, removal or installation of Warranted Items.

COMPANY DOES NOT WARRANT EQUIPMENT NOT MANUFACTURED BY COMPANY. IF PERMITTED BY THE APPLICABLE MANUFACTURER, COMPANY SHALL PASS THROUGH SUCH MANUFACTURER'S WARRANTIES TO END-USER.

COMPANY DOES NOT WARRANT SOFTWARE, INCLUDING SOFTWARE EMBEDDED IN PRODUCTS, THAT IS NOT CREATED BY COMPANY. WITHOUT LIMITING THE FOREGOING, COMPANY SPECIFICALLY DOES NOT WARRANT SOFTWARE (SUCH AS LINUX) THAT WAS CREATED USING AN "OPEN SOURCE" MODEL OR IS DISTRIBUTED PURSUANT TO AN OPEN SOURCE LICENSE.

WARRANTY

THIS WARRANTY IS THE SOLE AND EXCLUSIVE WARRANTY OFFERED BY COMPANY WITH RESPECT TO THE PRODUCTS AND SERVICES AND, EXCEPT FOR SUCH FOREGOING WARRANTY COMPANY DISCLAIMS ALL OTHER WARRANTIES INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE. CORRECTION OF NON- CONFORMITIES IN THE MANNER AND FOR THE PERIOD OF TIME PROVIDED ABOVE SHALL CONSTITUTE COMPANY'S SOLE LIABILITY AND END- USER'S EXCLUSIVE REMEDY FOR FAILURE OF COMPANY TO MEET ITS WARRANTY OBLIGATIONS, WHETHER CLAIMS OF THE END-USER ARE BASED IN CONTRACT. IN TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY). OR OTHERWISE.

LIMITATION OF LIABILITY: The remedies of the End-user set forth herein are exclusive and are the sole remedies for any failure of Company to comply with its obligations hereunder. In no event shall Company be liable in contract, in tort (including negligence or strict liability) or otherwise for damage to property or equipment other than the Products, including loss of profits or revenue, loss of use of Products, loss of data, cost of capital, claims of customers of the End-user or any special, indirect, incidental or consequential damages whatsoever. The total cumulative liability of Company hereunder whether the claims are based in contract (including indemnity), in tort (including negligence or strict liability) or otherwise, shall not exceed the price of the Product on which such liability is based.

Company shall not be responsible for failure to provide service or parts due to causes beyond Company's reasonable control.

END-USER'S OBLIGATIONS: In order to receive the benefits of this Warranty, the End-user must use the Product in a normal way; follow the Product's operation and maintenance manual; and protect against further damage to the Product if there is a covered defect.

OTHER LIMITATIONS: Company's obligations under this Warranty are expressly conditioned upon receipt by Company of all payments due to it (including interest charges, if any). During such time as Company has not received payment of any amount due to it for the Product, in accordance with the contract terms under which the Product is sold, Company shall have no obligation under this Warranty. Also during such time, the period of this Warranty shall continue to run and the expiration of this Warranty shall not be extended upon payment of any overdue or unpaid amounts.

COSTS NOT RELATED TO WARRANTY: The End-user shall be invoiced for, and shall pay for, all services not expressly provided for by the terms of this Warranty, including without limitation, site calls involving an inspection that determines no corrective maintenance is required. Any costs for replacement equipment, installation, materials, freight charges, travel expenses or labor of Company representatives outside the terms of this Warranty will be borne by the End-user.

OBTAINING WARRANTY SERVICE: In the USA, call the Customer Reliability Center 7x24 at 800.356.5737. Outside of the USA, contact your local Eaton product sales or service representative for units purchased from those countries, or call the Customer Reliability Center in the USA at 919.845.3683 for units purchased in the USA that were shipped overseas. For comments or questions about this Warranty, write to the Customer Quality Representative, 8609 Six Forks Road, Raleigh, North Carolina 27615 USA.

Eaton Corporation Load Protection Guarantee (US and Canada)

GUARANTOR: The Guarantor for the load protection guaranty set forth herein is Eaton ("Company").

LIMITED GUARANTY: This load protection guaranty (this "Guaranty") applies only to the original End-user (the "End-user") of any Eaton 9PXM Product and cannot be transferred.

WHAT THIS GUARANTY COVERS: For the lifetime of the Product, Guarantor promises to repair or replace, at Guarantor's option, the equipment (valued up to the limits shown below*) that is damaged by an AC power line surge, spike, or other transient when properly connected to Guarantor's uninterruptible power system ("UPS"). Reimbursement for or restoration of data loss excluded. This Guaranty applies only if all of the following circumstances arise:

1. The UPS is plugged into properly grounded and wired outlets, using no extension cords, adapters, other ground wires, or other electrical connectors;
2. The installation of the UPS complies with all applicable electrical and safety codes described by the National Electrical Code (NEC);
3. The UPS was used under normal operating conditions and in accordance with all labels and instructions; and

***Cumulative Limits to be paid by Guarantor under this Load Protection Guaranty:**

* \$25,000 for Eaton UPS Model 3105 and 3S

* \$150,000 for Eaton UPS Models 5S, 5SC, 5110, 5115, 5125, 5P, and 5PX

* \$250,000 for Eaton UPS Models 9130, 9135, 9140, 9PX, 9PXM, 9155, 9170+, and FERRUPS products

WHAT THIS GUARANTY DOES NOT COVER: Any reimbursement or repair to End-user's equipment does not include reimbursement for or restoration of any data loss. This Guaranty does not cover any defects or damages caused by: (a) failure to properly store the Product before installation, including the charge of batteries no later than the date indicated on the packaging; (b) shipping and delivery of the Product if shipping is FOB Factory; (c) neglect, accident, abuse, misuse, misapplication, or incorrect installation of Product; (d) repair or replacement of Product not authorized in writing by Garmin, or repair or replacement performed by an authorized Garmin Customer Service Engineer on August 4, 2019 or thereafter.

This Guaranty is not valid: (a) unless the End-user returns to Company the Warranty Registration Card or completes the registration form on www.powerquality.eaton.com/productregistration within thirty (30) days of purchase; or (b) if the Product's serial numbers have been removed or are illegible.

Company shall not be responsible for any charges for testing, checking, removal, or installation of any items.

LIMITATION OF LIABILITY: THE REMEDIES OF THE END-USER SET FORTH HEREIN ARE EXCLUSIVE AND ARE THE SOLE REMEDIES FOR ANY FAILURE OF COMPANY TO COMPLY WITH ITS OBLIGATIONS HEREUNDER. EXCEPT AS OTHERWISE PROVIDED FOR IN THIS GUARANTY, IN NO EVENT SHALL COMPANY BE LIABLE IN CONTRACT, IN TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE FOR DAMAGE TO PROPERTY OR EQUIPMENT OTHER THAN THE PRODUCTS, INCLUDING LOSS OF PROFITS OR REVENUE, LOSS OF USE OF PRODUCTS, LOSS OF DATA, COST OF CAPITAL, CLAIMS OF CUSTOMERS OF THE END-USER OR ANY SPECIAL, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES WHATSOEVER. THE TOTAL CUMULATIVE LIABILITY OF COMPANY HEREUNDER WHETHER THE CLAIMS ARE BASED IN CONTRACT (INCLUDING INDEMNITY), IN TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE, SHALL NOT EXCEED THOSE SET FORTH ABOVE.

Company shall not be responsible for failure to provide repair or replacement under this Guaranty due to causes beyond Company's reasonable control.

END-USER'S OBLIGATIONSS: In order to receive the benefits of this Guaranty, the End-user must use the Product in a normal way; follow the Product's operation and maintenance manual; and protect against further damage to the Product if there is a covered defect.

OTHER LIMITATIONS: Company's obligations under this Guaranty are expressly conditioned upon receipt by Company of all payments due to it (including interest charges, if any). During such time as Company has not received payment of any amount due to it for the Product, in accordance with the contract terms under which the Product is sold, Company shall have no obligation under this Guaranty.

COSTS NOT RELATED TO GUARANTY: The End-user shall be invoiced for, and shall pay for, all services not expressly provided for by the terms of this Guaranty, including without limitation, site calls involving an inspection that determines no corrective maintenance is required. Any costs for replacement equipment, installation, materials, freight charges, travel expenses, or labor of Company representatives outside the terms of this Guaranty will be borne by the End-user.

TO MAKE A CLAIM: In the USA, call the Customer Reliability Center 7x24 at 800-356-5737. Outside of the USA, contact your local Eaton product sales or service representative for units purchased from those countries, or call the Customer Reliability Center in the USA at 919-845-3683 for units purchased in the USA that were shipped overseas. For comments or questions about this Load Protection Guaranty, write to the Customer Quality Representative, 8609 Six Forks Road, Raleigh, North Carolina 27615 USA.

WARRANTY

Two-Year Limited Warranty

UPS MODELS: 9155

WARRANTOR: The warrantor for the limited warranties set forth herein is Eaton ("Company").

LIMITED WARRANTY: This limited warranty (this "Warranty") applies only to the original end-user (the "End-user") of any 9155 Products (individually and collectively, the "Product") purchased on or after June 1, 2004, and cannot be transferred. This Warranty applies even in the event that the Product is initially sold by Company for resale to an End-user.

LIMITED WARRANTY PERIOD: The period covered by this Warranty for Product installed [and currently located] in the fifty (50) United States, the District of Columbia and Canada is twenty-four (24) months from the date of purchase for parts, or thirty (30) months from the date of shipment for parts, and ninety (90) days from the date of purchase for labor, as further clarified in the following sections.

WHAT THIS LIMITED WARRANTY COVERS: The warrantor warrants that the Product and battery (individually and collectively, the "Warranted Items") are free of defects in material and workmanship. If, in the opinion of Company, a Warranted Item is defective and the defect is within the terms of this Warranty, Company's sole obligation will be to repair or replace such defective Warranted Items (including by providing service, parts and labor, as applicable), at the option of Company, and such repair or replacement shall be at either the End-user's location, Company's site, or such other location as determined by Company. All Warranted Items returned to Company and all parts replaced by Company shall become the property of Company. Expenses for any labor to repair the Warranted Item beyond the initial ninety (90) days are the sole responsibility of the End-user.

PROCEDURES FOR REPAIR OR REPLACEMENT OF WARRANTED ITEMS: When shipment is required of End-user: When Company determines that the Warranted Item will be repaired or replaced at a Company site or such other location, and the End-user must ship to Company the defective Warranted Item, the following procedures are required.

If the Warranted Item is to be replaced by Company, and the End-user supplies a credit card number or purchase order for the value of the replacement product, Company will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-user) the replacement Warranted Item to the End-user within one (1) business day after Company receives notice of the warranty claim. In such case, the End-user must return (at Company's expense) the defective Warranted Item to Company in the same packaging as the replacement Warranted Item received by the End-user or as otherwise instructed by Company. If Company does not receive the defective Warranted Item, Company will either charge the End-user's credit card, or send the End-user an invoice (which the End-user agrees to pay), for the value of the replacement product.

If the Warranted Item is to be replaced by Company, but the End-user is unwilling or unable to supply a credit card number or purchase order for the value of the replacement product, Company will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-user) the replacement Warranted Item to the End-user within one (1) business day after Company receives the defective product from the End-user.

In any case, Company will provide shipping instructions and will pay its designated carrier for all shipping charges for return of defective equipment and replacement of Warranted Items. Any returned Warranted Item or parts that are replaced may be new or reconditioned. All Warranted Items returned to Company and all parts replaced by Company shall become the property of Company.

WHAT THIS LIMITED WARRANTY DOES NOT COVER: This Warranty does not cover any defects or damages caused by: (a) failure to properly store the Product before installation, including the charge of batteries no later than the date indicated on the packaging; (b) shipping and delivery of the Product if shipping is FOB Factory; (c) neglect, accident, abuse, misuse, misapplication or incorrect installation; (d) repair or alteration not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; (e) improper testing, operation, maintenance, adjustment or modification of any kind not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; or (f) use of the Product under other than normal operating conditions or in a manner inconsistent with the Product's labels or instructions.

This Warranty is not valid: (a) unless an authorized Eaton Customer Service Engineer (in USA) or Agent (outside of USA) performs startup and commissioning of the Product; or (b) if the Product's serial numbers have been removed or are illegible. Any Warranted Items repaired or replaced pursuant to this Warranty will be warranted for the remaining portion of the original Warranty subject to all the terms thereof. Company shall not be responsible for any charges for testing, checking, removal or installation of Warranted Items.

COMPANY DOES NOT WARRANT EQUIPMENT NOT MANUFACTURED BY COMPANY. IF PERMITTED BY THE APPLICABLE MANUFACTURER, COMPANY SHALL PASS THROUGH SUCH MANUFACTURER'S WARRANTIES TO END-USER.

COMPANY DOES NOT WARRANT SOFTWARE, INCLUDING SOFTWARE EMBEDDED IN PRODUCTS, THAT IS NOT CREATED BY COMPANY. WITHOUT LIMITING THE FOREGOING, COMPANY SPECIFICALLY DOES NOT WARRANT SOFTWARE (SUCH AS LINUX) THAT WAS CREATED USING AN "OPEN SOURCE" MODEL OR IS DISTRIBUTED PURSUANT TO AN OPEN SOURCE LICENSE.

WARRANTY

Two-Year Limited Warranty

UPS MODELS: 9155

THIS WARRANTY IS THE SOLE AND EXCLUSIVE WARRANTY OFFERED BY COMPANY WITH RESPECT TO THE PRODUCTS AND SERVICES AND, EXCEPT FOR SUCH FOREGOING WARRANTY COMPANY DISCLAIMS ALL OTHER WARRANTIES INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE. CORRECTION OF NON- CONFORMITIES IN THE MANNER AND FOR THE PERIOD OF TIME PROVIDED ABOVE SHALL CONSTITUTE COMPANY'S SOLE LIABILITY AND END- USER'S EXCLUSIVE REMEDY FOR FAILURE OF COMPANY TO MEET ITS WARRANTY OBLIGATIONS, WHETHER CLAIMS OF THE END-USER ARE BASED IN CONTRACT, IN TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY), OR OTHERWISE.

LIMITATION OF LIABILITY: The remedies of the End-user set forth herein are exclusive and are the sole remedies for any failure of Company to comply with its obligations hereunder. In no event shall Company be liable in contract, in tort (including negligence or strict liability) or otherwise for damage to property or equipment other than the Products, including loss of profits or revenue, loss of use of Products, loss of data, cost of capital, claims of customers of the End-user or any special, indirect, incidental or consequential damages whatsoever. The total cumulative liability of Company hereunder whether the claims are based in contract (including indemnity), in tort (including negligence or strict liability) or otherwise, shall not exceed the price of the Product on which such liability is based.

Company shall not be responsible for failure to provide service or parts due to causes beyond Company's reasonable control.

END-USER'S OBLIGATIONS: In order to receive the benefits of this Warranty, the End-user must use the Product in a normal way; follow the Product's operation and maintenance manual; and protect against further damage to the Product if there is a covered defect.

OTHER LIMITATIONS: Company's obligations under this Warranty are expressly conditioned upon receipt by Company of all payments due to it (including interest charges, if any). During such time as Company has not received payment of any amount due to it for the Product, in accordance with the contract terms under which the Product is sold, Company shall have no obligation under this Warranty. Also during such time, the period of this Warranty shall continue to run and the expiration of this Warranty shall not be extended upon payment of any overdue or unpaid amounts.

COSTS NOT RELATED TO WARRANTY: The End-user shall be invoiced for, and shall pay for, all services not expressly provided for by the terms of this Warranty, including without limitation, site calls involving an inspection that determines no corrective maintenance is required. Any costs for replacement equipment, installation, materials, freight charges, travel expenses or labor of Company representatives outside the terms of this Warranty will be borne by the End-user.

OBTAINING WARRANTY SERVICE: In the USA, call the Customer Reliability Center 7x24 at 800.356.5737. Outside of the USA, contact your local Eaton product sales or service representative for units purchased from those countries, or call the Customer Reliability Center in the USA at 919.845.3683 for units purchased in the USA that were shipped overseas. For comments or questions about this Warranty, write to the Customer Quality Representative, 8609 Six Forks Road, Raleigh, North Carolina 27615 USA.

WARRANTY

Limited Warranty (Global)

UPS MODEL: BLADEUPS

WARRANTOR: The warrantor for the limited warranties set forth herein is Eaton (“Eaton”).

LIMITED WARRANTY: This limited warranty (this “Warranty”) applies only to the original Purchaser (the “End-user”) of any BladeUPS Products (individually and collectively, the “Product”) purchased and registered with Eaton and cannot be transferred. This restriction applies even in the event that the Product is initially sold by Eaton for resale to an End-user. This Warranty gives you specific legal rights, and you may also have other rights which vary from State to State (or jurisdiction to jurisdiction).

LIMITED WARRANTY PERIOD: The period covered by this Warranty for the Product is eighteen (18) months from date of Product shipment.

WHAT THIS LIMITED WARRANTY COVERS: Eaton warrants that the Product and battery (individually and collectively, the “Warranted Items”) are free of defects in material and workmanship. If, in the opinion of Eaton, a Warranted Item is defective and the defect is within the terms of this Warranty, Eaton’s sole obligation will be to repair or replace such defective Warranted Item (including providing service, parts and labor, as applicable), at the option of Eaton.

PROCEDURES FOR REPAIR OR REPLACEMENT OF WARRANTED ITEMS: The Warranted Item will be repaired or replaced at an Eaton site or such other location as determined by Eaton.

If the Warranted Item is to be replaced by Eaton, and the End-user supplies a credit card number or purchase order for the value of the replacement product, Eaton will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-user) the replacement Warranted Item to the End-user within one (1) business day after Eaton receives notice of the warranty claim. In such case, the End-user must return (at Eaton’s expense) the defective Warranted Item to Eaton in the same packaging as the replacement Warranted Item received by the End-user or as otherwise instructed by Eaton. If Eaton does not receive the defective Warranted Item, Eaton will either charge the End-user’s credit card, or send the End-user an invoice (which the End-user agrees to pay), for the value of the replacement product.

If the Warranted Item is to be replaced by Eaton, but the End-user is unwilling or unable to supply a credit card number or purchase order for the value of the replacement product, Eaton will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-user) the replacement Warranted Item to the End-user within one (1) business day after Eaton receives the defective product from the End-user.

In any case, Eaton will provide shipping instructions and will pay its designated carrier for all shipping charges for return of defective equipment and replacement of Warranted Items. Any returned Warranted Item or parts that are replaced may be new or re-conditioned. All Warranted Items returned to Eaton and, in any replacement endeavor, all parts removed by Eaton shall become the property of Eaton.

WHAT THIS LIMITED WARRANTY DOES NOT COVER: This Warranty does not cover any defects or damages caused by: (a) failure to properly store the Product before installation, including the charge of batteries no later than the date indicated on the packaging; (b) shipping and delivery of the Product if shipping is FOB Factory; (c) damage caused by fire, flood, lightning, vandalism, acts of God, End-user's neglect, misuse, misapplication, incorrect connection or external damage; or that has been subject to repair or alteration by End-user (or a third party) not authorized by Eaton in writing; (d) repair or alteration not performed by an authorized Eaton Customer Service Engineer or Agent; (e) improper testing, operation, maintenance, adjustment or modification of any kind not authorized in writing by Eaton personnel or performed by an authorized Eaton Customer Service Engineer or Agent; or (f) use of the Product under other than normal operating conditions or in a manner inconsistent with the Product’s labels or instructions.

This Warranty is not valid if the Product’s serial numbers have been removed or are illegible. Any Warranted Items repaired or replaced pursuant to this Warranty will be warranted for the remaining portion of the original Warranty subject to all the terms thereof.

Eaton shall not be responsible for any charges for testing, checking, removal or installation of Warranted Items.

EATON DOES NOT WARRANT EQUIPMENT NOT MANUFACTURED BY EATON. IF PERMITTED BY THE APPLICABLE MANUFACTURER, EATON SHALL PASS THROUGH SUCH MANUFACTURER’S WARRANTIES TO END-USER.

EATON DOES NOT WARRANT SOFTWARE, INCLUDING SOFTWARE EMBEDDED IN PRODUCTS, THAT IS NOT CREATED BY EATON. WITHOUT LIMITING THE FOREGOING, EATON SPECIFICALLY DOES NOT WARRANT SOFTWARE (SUCH AS LINUX) THAT WAS CREATED USING AN “OPEN SOURCE” MODEL OR IS DISTRIBUTED PURSUANT TO AN OPEN SOURCE LICENSE.

WARRANTY

Limited Warranty (Global)

UPS MODEL: BLADEUPS

THIS WARRANTY IS THE SOLE AND EXCLUSIVE WARRANTY OFFERED BY EATON WITH RESPECT TO THE PRODUCTS AND SERVICES AND, EXCEPT FOR SUCH FOREGOING WARRANTY EATON DISCLAIMS ALL OTHER WARRANTIES INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE. CORRECTION OF NON-CONFORMITIES IN THE MANNER AND FOR THE PERIOD OF TIME PROVIDED ABOVE SHALL CONSTITUTE EATON'S SOLE LIABILITY AND END-USER'S EXCLUSIVE REMEDY FOR FAILURE OF EATON TO MEET ITS WARRANTY OBLIGATIONS, WHETHER CLAIMS OF THE END-USER ARE BASED IN CONTRACT, IN TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE. SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF EXPRESS OR IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU. IN THAT EVENT, SUCH WARRANTIES ARE LIMITED IN DURATION TO THE LIMITED WARRANTY PERIOD. SOME STATES OR JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS AND/OR EXCLUSIONS MAY NOT APPLY TO YOU.

LIMITATION OF LIABILITY: The remedies of the End-user set forth herein are exclusive and are the sole remedies for any failure of Eaton to comply with its obligations hereunder. In no event shall Eaton be liable for any indirect, incidental, special or consequential damages of any kind or type whatsoever, resulting from or in connection with any claim or cause of action, whether brought in contract or in tort (including negligence or strict liability). Some States or jurisdictions do not allow the exclusion of limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Eaton shall not be responsible for failure to provide service or parts due to causes beyond Eaton's reasonable control. In no case will Eaton's liability under this Warranty exceed the replacement value of the Warranted Items.

END-USER'S OBLIGATIONS: In order to receive the benefits of this Warranty, the End-user must register the product warranty (via mail or online at www.eaton.com/powerquality "warranty registration"); use the Product in a normal way; follow the Product's operation and maintenance manual; and protect against further damage to the Product if there is a covered defect.

OTHER LIMITATIONS: Eaton's obligations under this Warranty are expressly conditioned upon receipt by Eaton of all payments due from End-user (including interest charges, if any). During such time as Eaton has not received payment of any amount due to it for the Product, in accordance with the contract terms under which the Product is sold, Eaton shall have no obligation under this Warranty. Also during such time, the period of this Warranty shall continue to run and the expiration of this Warranty shall not be extended upon payment of any overdue or unpaid amounts.

COSTS NOT RELATED TO WARRANTY: The End-user shall be invoiced for, and shall pay for, all services not expressly provided for by the terms of this Warranty, including without limitation, site calls involving an inspection that determines no corrective maintenance is required. Any costs for replacement equipment, installation, materials, freight charges, travel expenses or labor of Eaton representatives outside the terms of this Warranty will be borne by the End-User.

OBTAINING WARRANTY SERVICE: In the USA, call the Customer Reliability Center 7x24 at 800.356.5737. Outside of the USA, contact your local Eaton product sales or service representative for units purchased from those countries, or call the Customer Reliability Center in the USA at 919.845.3683 for units purchased in the USA that were shipped overseas. For comments or questions about this Warranty, write to the Customer Quality Representative, 8609 Six Forks Road, Raleigh, North Carolina 27615 USA.

WARRANTY

Two-Year Limited Warranty (USA and Canada)

CONNECTIVITY DEVICES

WARRANTOR: The warrantor for the limited warranties set forth herein is Eaton ("Company").

LIMITED WARRANTY: This limited warranty (this "Warranty") applies only to the original End-user (the "End-user") of any 3, 5 and 9 series Connectivity Devices (the "Product") purchased on or after June 1, 2004, and cannot be transferred. This Warranty applies even in the event that the Product is initially sold by Company for resale to an End-user.

LIMITED WARRANTY PERIOD: The period covered by this Warranty for the Product installed [and currently located] in the fifty (50) United States, the District of Columbia, and Canada is twenty-four (24) months from the date of purchase.

WHAT THIS LIMITED WARRANTY COVERS: The warrantor warrants that the Product (the "Warranted Item") is free from defects in material and workmanship. If, in the opinion of Company, a Warranted Item is defective and the defect is within the terms of this Warranty, Company's sole obligation will be to repair or replace such defective Warranted Item (including by providing service, parts and labor, as applicable), at the option of Company.

PROCEDURES FOR REPAIR OR REPLACEMENT OF WARRANTED ITEMS: The Warranted Item will be repaired or replaced at a Company site or such other location as determined by Company.

If the Warranted Item is to be replaced by Company, and the End-user supplies a credit card number or purchase order for the value of the replacement Product, Company will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-user) the replacement Warranted Item to the End-user within one (1) business day after Company receives notice of the warranty claim. In such case, the End-user must return (at Company's expense) the defective Warranted Item to Company in the same packaging as the replacement Warranted Item received by the End-user or as otherwise instructed by Company. If Company does not receive the defective Warranted Item, Company will either charge the End-user's credit card, or send the End-User an invoice (which the End-user agrees to pay), for the value of the replacement Product.

If the Warranted Item is to be replaced by Company, but the End-user is unwilling or unable to supply a credit card number or purchase order for the value of the replacement Product, Company will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-user) the replacement Warranted Item to the End-user within one (1) business day after Company receives the defective Product from the End-user.

In any case, Company will provide shipping instructions and will pay its designated carrier for all shipping charges for return of defective equipment and replacement of Warranted Items. Any returned Warranted Item or parts that are replaced may be new or reconditioned. All Warranted Items returned to Company and all parts replaced by Company shall become the property of Company.

WHAT THIS LIMITED WARRANTY DOES NOT COVER: This Warranty does not cover any defects or damages caused by: (a) failure to properly store the Product before installation; (b) shipping and delivery of the Product if shipping is FOB Factory; (c) neglect, accident, abuse, misuse, misapplication or incorrect installation; (d) repair or alteration not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; (e) improper testing, operation, maintenance, adjustment or modification of any kind not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; or (f) use of the Product under other than normal operating conditions or in a manner inconsistent with the Product's labels or instructions.

This Warranty is not valid if the Product's serial numbers have been removed or are illegible. Any Warranted Items repaired or replaced to this Warranty will be warranted for the remaining portion of the original Warranty subject to all the terms thereof.

Company shall not be responsible for any charges for testing, checking, removal or installation of Warranted Items.

COMPANY DOES NOT WARRANT EQUIPMENT NOT MANUFACTURED BY COMPANY. IF PERMITTED BY THE APPLICABLE MANUFACTURER, COMPANY SHALL PASS THROUGH SUCH MANUFACTURER'S WARRANTIES TO END-USER.

COMPANY SHALL PASS THROUGH SUCH MANUFACTURER'S WARRANTIES TO END-USER. COMPANY DOES NOT WARRANT SOFTWARE (IF APPLICABLE TO THE PRODUCT), INCLUDING SOFTWARE EMBEDDED IN PRODUCTS, THAT IS NOT CREATED BY COMPANY. WITHOUT LIMITING THE FOREGOING, COMPANY SPECIFICALLY DOES NOT WARRANT SOFTWARE (SUCH AS LINUX) THAT WAS CREATED USING AN "OPEN SOURCE" MODEL OR IS DISTRIBUTED PURSUANT TO AN OPEN SOURCE LICENSE.

COMPANY DOES NOT WARRANT SOFTWARE, INCLUDING SOFTWARE EMBEDDED IN PRODUCTS, THAT IS NOT CREATED BY COMPANY. WITHOUT LIMITING THE FOREGOING, COMPANY SPECIFICALLY DOES NOT WARRANT SOFTWARE (SUCH AS LINUX) THAT WAS CREATED USING AN "OPEN SOURCE" MODEL OR IS DISTRIBUTED PURSUANT TO AN OPEN SOURCE LICENSE.

CONNECTIVITY DEVICES

THIS WARRANTY IS THE SOLE AND EXCLUSIVE WARRANTY OFFERED BY COMPANY WITH RESPECT TO THE PRODUCTS AND SERVICES AND, EXCEPT FOR SUCH FOREGOING WARRANTY COMPANY DISCLAIMS ALL OTHER WARRANTIES INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE. CORRECTION OF NON- CONFORMITIES IN THE MANNER AND FOR THE PERIOD OF TIME PROVIDED ABOVE SHALL CONSTITUTE COMPANY'S SOLE LIABILITY AND END- USER'S EXCLUSIVE REMEDY FOR FAILURE OF COMPANY TO MEET ITS WARRANTY OBLIGATIONS, WHETHER CLAIMS OF THE END-USER ARE BASED IN CONTRACT, IN TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY), OR OTHERWISE.

LIMITATION OF LIABILITY: The remedies of the End-user set forth herein are exclusive and are the sole remedies for any failure of Company to comply with its obligations hereunder. In no event shall Company be liable in contract, in tort (including negligence or strict liability) or otherwise for damage to property or equipment other than the Products, including loss of profits or revenue, loss of use of Products, loss of data, cost of capital, claims of customers of the End-user or any special, indirect, incidental or consequential damages whatsoever. The total cumulative liability of Company hereunder whether the claims are based in contract (including indemnity), in tort (including negligence or strict liability) or otherwise, shall not exceed the price of the Product on which such liability is based.

Company shall not be responsible for failure to provide service or parts due to causes beyond Company's reasonable control.

END-USER'S OBLIGATIONS: In order to receive the benefits of this Warranty, the End-user must use the Product in a normal way; follow the Product's operation and maintenance manual; and protect against further damage to the Product if there is a covered defect.

OTHER LIMITATIONS: Company's obligations under this Warranty are expressly conditioned upon receipt by Company of all payments due to it (including interest charges, if any). Also during such time, the period of this Warranty shall continue to run and the expiration of this Warranty shall not be extended upon payment of any overdue or unpaid amounts.

COSTS NOT RELATED TO WARRANTY: The End-user shall be invoiced for, and shall pay for, all services not expressly provided for by the terms of this Warranty, including without limitation, site calls involving an inspection that determines no corrective maintenance is required. Any costs for replacement equipment, installation, materials, freight charges, travel expenses or labor of Company representatives outside the terms of this Warranty will be borne by the End-user.

OBTAINING WARRANTY SERVICE: In the USA, call the Customer Reliability Center 7x24 at 800.356.5737. Outside of the USA, contact your local Eaton product sales or service representative for units purchased from those countries, or call the Customer Reliability Center in the USA at 919.845.3683 for units purchased in the USA that were shipped overseas. For comments or questions about this Warranty, write to the Customer Quality Representative, 8609 Six Forks Road, Raleigh, North Carolina 27615 USA.

WARRANTY

Limited Warranty (USA and Canada)

Rack PDU POWER DISTRIBUTION UNITS

WARRANTOR: The warrantor for the limited warranties set forth herein is Eaton ("Company").

RACKMOUNTED LIMITED WARRANTY: This limited warranty (this "Warranty") applies only to the original End-user (the "End-user") of any Eaton Rackmounted Power Distribution Units (the "Product") purchased on or after July 1, 2012, and cannot be transferred. This Warranty applies even in the event that the Product is initially sold by Company for resale to an End-user.

LIMITED WARRANTY PERIOD: The period covered by this Warranty for Product installed [and currently located] in the fifty (50) United States, the District of Columbia and Canada is twenty-four (24) months from the date of purchase, or thirty (30) months from the date of shipment. For units that are registered online at Eaton.com/upsregister, the warranty is extended to thirty-six (36) months from the date of purchase, or fortytwo (42) months from the date of shipment.

WHAT THIS LIMITED WARRANTY COVERS: The warrantor warrants that the Product (the "Warranted Item") is free from defects in material and workmanship. If, in the opinion of Company, a Warranted Item is defective and the defect is within the terms of this Warranty, Company's sole obligation will be to repair or replace such defective Warranted Item (including by providing service, parts and labor, as applicable), at the option of Company.

PROCEDURES FOR REPAIR OR REPLACEMENT OF WARRANTED ITEMS:

Standard Product: Defined as ePDU product with the product number sequence PWxxxxxxxx or eXXXXX, (whereas x can be any value). The War- ranted item will be repaired or replaced by the Company.

Custom Product: Defined as ePDU product with any product number sequence that does not equal a standard product as noted above. The War-ranted item will be repaired at a Company site or such other location as determined by Company.

If the Warranted Item is to be replaced by Company, and the End-user supplies a credit card number or purchase order for the value of the replacement Product, Company will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-user) the replacement Warranted Item to the End-user within one (1) business day after Company receives notice of the warranty claim. In such case, the End-user must return (at Company's expense) the defective Warranted Item to Company in the same packaging as the replacement Warranted Item received by the End-user or as otherwise instructed by Company. If Company does not receive the defective Warranted Item, Company will either charge the End-user's credit card, or send the End-user an invoice (which the End-user agrees to pay), for the value of the replacement Product.

If the Warranted Item is to be replaced by Company, but the End-user is unwilling or unable to supply a credit card number or purchase order for the value of the replacement Product, Company will use commercially reasonable business efforts to ship (via standard ground shipment and at no cost to the End-user) the replacement Warranted Item to the End-user within one (1) business day after Company receives the defective Product from the End-user.

In any case, Company will provide shipping instructions and will pay its designated carrier for all shipping charges for return of defective equipment and replacement of Warranted Items. Any returned Warranted Item or parts that are replaced may be new or reconditioned. All Warranted Items returned to Company and all parts replaced by Company shall become the property of Company.

WHAT THIS LIMITED WARRANTY DOES NOT COVER: This Warranty does not cover any defects or damages caused by: (a) failure to properly store the Product before installation; (b) shipping and delivery of the Product if shipping is FOB Factory; (c) neglect, accident, abuse, misuse, misapplication or incorrect installation; (d) repair or alteration not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; (e) improper testing, operation, maintenance, adjustment or modification of any kind not authorized in writing by Company personnel or performed by an authorized Company Customer Service Engineer or Agent; or (f) use of the Product under other than normal operating conditions or in a manner inconsistent with the Product's labels or instructions.

This Warranty is not valid if the Product's serial numbers have been removed or are illegible. Any Warranted Items repaired or replaced pursuant to this Warranty will be warranted for the remaining portion of the original Warranty subject to all the terms thereof.

Company shall not be responsible for any charges for testing, checking, removal or installation of Warranted Items.

COMPANY DOES NOT WARRANT EQUIPMENT NOT MANUFACTURED BY COMPANY. IF PERMITTED BY THE APPLICABLE MANUFACTURER, COMPANY SHALL PASS THROUGH SUCH MANUFACTURER'S WARRANTIES TO END-USER.

COMPANY DOES NOT WARRANT SOFTWARE, INCLUDING SOFTWARE EMBEDDED IN PRODUCTS, THAT IS NOT CREATED BY COMPANY. WITHOUT LIMITING THE FOREGOING, COMPANY SPECIFICALLY DOES NOT WARRANT SOFTWARE (SUCH AS LINUX) THAT WAS CREATED USING AN "OPEN SOURCE" MODEL OR IS DISTRIBUTED PURSUANT TO AN OPEN SOURCE LICENSE.

Two-Year Limited Warranty (USA and Canada)

EPDU ENCLOSURE POWER DISTRIBUTION UNITS

THIS WARRANTY IS THE SOLE AND EXCLUSIVE WARRANTY OFFERED BY COMPANY WITH RESPECT TO THE PRODUCTS AND SERVICES AND, EXCEPT FOR SUCH FOREGOING WARRANTY COMPANY DISCLAIMS ALL OTHER WARRANTIES INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE. CORRECTION OF NON- CONFORMITIES IN THE MANNER AND FOR THE PERIOD OF TIME PROVIDED ABOVE SHALL CONSTITUTE COMPANY'S SOLE LIABILITY AND END- USER'S EXCLUSIVE REMEDY FOR FAILURE OF COMPANY TO MEET ITS WARRANTY OBLIGATIONS, WHETHER CLAIMS OF THE END-USER ARE BASED IN CONTRACT, IN TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY), OR OTHERWISE.

LIMITATION OF LIABILITY: The remedies of the End-user set forth herein are exclusive and are the sole remedies for any failure of Company to comply with its obligations hereunder. In no event shall Company be liable in contract, in tort (including negligence or strict liability) or otherwise for damage to property or equipment other than the Products, including loss of profits or revenue, loss of use of Products, loss of data, cost of capital, claims of customers of the End-user or any special, indirect, incidental or consequential damages whatsoever. The total cumulative liability of Company hereunder whether the claims are based in contract (including indemnity), in tort (including negligence or strict liability) or otherwise, shall not exceed the price of the Product on which such liability is based.

Company shall not be responsible for failure to provide service or parts due to causes beyond Company's reasonable control.

END-USER'S OBLIGATIONS: In order to receive the benefits of this Warranty, the End-user must use the Product in a normal way; follow the Product's operation and maintenance manual; and protect against further damage to the Product if there is a covered defect.

OTHER LIMITATIONS: Company's obligations under this Warranty are expressly conditioned upon receipt by Company of all payments due to it (including interest charges, if any). For comments or questions about this Warranty, write to the Customer Quality Representative, 8609 Six Forks Road, Raleigh, North Carolina 27615 USA.

WARRANTY

Limited Factory Warranty For Eaton Three-phase UPS Products

THREE-PHASE PRODUCTS

WARRANTOR: The warrantor for the limited warranties set forth herein is Eaton ("Eaton").

LIMITED WARRANTY: This limited warranty (this "Warranty") applies only to the original End-user (the "End-user") of the Eaton three-phase UPS Products (the "Product") and cannot be transferred. This Warranty applies even in the event that the Product is initially sold by Eaton for resale to an End-user.

LIMITED WARRANTY PERIOD: The period covered by this Warranty for Product installed [and currently located] in the fifty (50) United States and the District of Columbia is twelve (12) months from the date of Product startup or eighteen (18) months from date of Product shipment, whichever occurs first, for parts coverage and 90 days from the date of Product startup for labor coverage. The period covered by this Warranty for Product installed [and currently located] outside of the fifty (50) United States and the District of Columbia is twelve (12) months from the date of Product startup or eighteen (18) months from date of Product shipment, whichever occurs first, for parts coverage.

WHAT THIS LIMITED WARRANTY COVERS: The warrantor warrants that the Eaton three-phase UPS electronics, Eaton-built accessories, and Eaton-built battery cabinets, (individually and collectively, the "Warranted Items") are free from defects in material and workmanship. If, in the opinion of Eaton, a Warranted Item is defective and the defect is within the terms of this Warranty, Eaton's sole obligation will be to repair or replace such defective item (including by providing service, parts and labor, as applicable), at the option of Eaton. The Warranted Item will be repaired or replaced onsite at the End-user's location or such other location as determined by Eaton. Any parts that are replaced may be new or reconditioned. All parts replaced by Eaton shall become the property of Eaton.

WHAT THIS LIMITED WARRANTY DOES NOT COVER: This Warranty does not cover any defects or damages caused by: (a) failure to properly store the Product before installation, including the "trickle charge" of batteries no later than the date indicated on the packaging; (b) shipping and delivery of the Product if shipping is FOB Factory; (c) neglect, accident, fire, flood, lightning, vandalism, acts of God, Customer's neglect, abuse, misuse, misapplication, incorrect installation; (d) repair or alteration, not authorized in writing by Eaton personnel or performed by an authorized Eaton Customer Service Engineer or Agent; or (e) improper testing, operation, maintenance, adjustment or any modification of any kind not authorized in writing by Eaton personnel or performed by an authorized Eaton Customer Service Engineer or Agent.

This Warranty is not valid: (a) unless an authorized Eaton Customer Service Engineer (in USA) or Agent (outside of USA) performs startup and commissioning of the Product; (b) if the Product is moved to a new location by someone other than an authorized Eaton Customer Service Engineer (in USA) or Agent (outside of USA); or (c) if the Product's serial numbers have been removed or are illegible. Any Warranted Items repaired or replaced pursuant to this Warranty will be warranted for the remaining portion of the original Warranty subject to all the terms thereof. Labor warranty is not provided for Product located outside of the fifty (50) United States or the District of Columbia. Any equipment, parts or materials included in the Product and not manufactured by Eaton are warranted solely by the manufacturer of such equipment, parts or materials and are not included as part of this warranty. Batteries are not warranted by Eaton.

THIS WARRANTY IS THE END-USER'S SOLE REMEDY AND IS EXPRESSLY IN LIEU OF, AND THERE ARE NO OTHER, EXPRESSED OR IMPLIED GUARANTEES OR WARRANTIES (INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE, WHICH ARE EXPRESSLY DISCLAIMED).

LIMITATION OF LIABILITY: In no event shall Eaton be liable for any indirect, incidental, special or consequential damages of any kind or type whatsoever, or based on any claim or cause of action, however denominated. Eaton shall not be responsible for failure to provide service or parts due to causes beyond Eaton's reasonable control. In no case will Eaton's liability under this Warranty exceed the replacement value of the Warranted Items.

END-USER'S OBLIGATIONS: In order to receive the benefits of this Warranty, the End-user must use the Product in a normal way; follow the Product's operators and maintenance manual; and protect against further damage to the Product if there is a covered defect.

OTHER LIMITATIONS: Eaton's obligations under this Warranty are expressly conditioned upon receipt by Eaton of all payments due to it (including interest charges, if any). During such time as Eaton has not received payment of any amount due to it for the Product, in accordance with the contract terms under which the Product is sold, Eaton shall have no obligation under this Warranty. Also during such time, the period of this Warranty shall continue to run and the expiration of this Warranty shall not be extended upon payment of any overdue or unpaid amounts.

WARRANTY

Limited Factory Warranty For Eaton Three-phase UPS Products

THREE-PHASE PRODUCTS

COSTS NOT RELATED TO WARRANTY: The End-user shall be invoiced for, and shall pay for, all services not expressly provided for by the terms of this Warranty, including without limitation, site calls involving an inspection that determines no corrective maintenance is required. Any costs for replacement equipment, installation, materials, freight charges, travel expenses or labor of Eaton representatives outside the terms of this Warranty will be borne by the End-user

OBTAINING WARRANTY SERVICE: In the USA, call the Customer Reliability Center 7x24 at 800.843.9433. Outside of the USA, contact your local Eaton product sales or service representative for units purchased from those countries, or call the Customer Reliability Center in the USA at 919.845.3633 for units purchased in the USA that were shipped overseas. WARRANTY

Limited Factory Warranty For Eaton 93E UPS Products

93E

WARRANTOR: The warrantor for the limited warranties set forth herein is Eaton ("Eaton").

LIMITED WARRANTY: This limited warranty (this "Warranty") applies only to the original Purchaser (the "End-User") of the Eaton 93E UPS Products (the "Product") and cannot be transferred. This restriction applies even in the event that the Product is initially sold by Eaton for resale to an End-User. This Warranty gives you specific legal rights, and you may also have other rights which vary from State to State (or jurisdiction to jurisdiction).

WHAT THIS LIMITED WARRANTY COVERS: Eaton warrants, within the terms of this Warranty, that the Eaton three-phase UPS electronics, Eaton-built accessories, and Eaton-built battery cabinets, (individually and collectively, the "Warranted Items") are free from defects in material and workmanship.

For Product installed (and currently located) in the fifty (50) United States and the District of Columbia, if, in the opinion of Eaton, a Warranted Item is defective, Eaton's sole obligation, at the option of Eaton, will be to refurbish or replace such defective Warranted Item (including the costs of providing diagnosis, service, and labor ["labor coverage"]). The defective Warranted Item will be refurbished or replaced onsite at the End-User's location or such other location as determined by Eaton. Any parts that are replaced may be new or reconditioned. In any replacement endeavor, all parts removed by Eaton shall become the property of Eaton.

For Product installed (and currently located) outside the fifty (50) United States and the District of Columbia, if, in the opinion of Eaton, a Warranted Item is defective, Eaton's sole obligation, at the option of Eaton, will be to refurbish or replace such defective Warranted Item. (not including the costs of labor coverage). The defective Warranted Item will be refurbished or replaced onsite at the End-User's location or such other location as determined by Eaton. Any parts that are replaced may be new or reconditioned. In any replacement endeavor, all parts removed by Eaton shall become the property of Eaton.

LIMITED WARRANTY PERIOD: The period covered by this Warranty for Product installed (and currently located) in the fifty (50) United States and the District of Columbia is six (6) months from the date of Product purchase for labor coverage when no startup is performed by an authorized Eaton Customer Service Engineer or Agent or twelve (12) months from the date of Product purchase with startup performed by an authorized Eaton Customer Service Engineer or Agent and twelve (12) months from the date of Product purchase or eighteen (18) months from date of Product shipment, whichever occurs first, for the refurbishment/replacement of parts.

The period covered by this Warranty for Product installed (and currently located) outside of the fifty (50) United States and the District of Columbia is twelve (12) months from the date of Product purchase or eighteen (18) months from date of Product shipment, whichever occurs first, for the refurbishment/replacement of parts.

WHAT THIS LIMITED WARRANTY DOES NOT COVER: This Warranty does not cover any defects or damages caused by: (a) failure to properly store the Product before installation, including the "trickle charge" of batteries no later than the date indicated on the packaging; (b) shipping and delivery of the Product if shipping is FOB Factory; (c) neglect, accident, fire, flood, lightning, vandalism, acts of God, End-User's neglect, abuse, misuse, misapplication, incorrect installation; (d) repair or alteration, not authorized in writing by Eaton personnel or performed by an authorized Eaton Customer Service Engineer or Agent; or (e) improper testing, operation, maintenance, adjustment, or any modification of any kind not authorized in writing by Eaton personnel or performed by an authorized Eaton Customer Service Engineer or Agent.

This Warranty is not valid: if the Product's serial numbers have been removed or are illegible. Any Warranted Items repaired or replaced pursuant to this Warranty will be warranted for the remaining portion of the original Warranty subject to all the terms thereof. Eaton does not provide a labor warranty for Product located outside of the fifty (50) United States or the District of Columbia. Any equipment, parts or materials included in the Product and not manufactured by Eaton are warranted solely by the manufacturer of such equipment, parts or materials and are not included as part of this Warranty. Batteries are not warranted by Eaton.

THIS WARRANTY IS THE END-USER'S SOLE REMEDY AND IS EXPRESSLY IN LIEU OF, AND THERE ARE NO OTHER, EXPRESSED OR IMPLIED GUARANTEES OR WARRANTIES (INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE, WHICH ARE EXPRESSLY DISCLAIMED). SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF EXPRESS OR IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU. IN THAT EVENT, SUCH WARRANTIES ARE LIMITED IN DURATION TO THE LIMITED WARRANTY PERIOD. SOME STATES OR JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS AND/ OR EXCLUSIONS MAY NOT APPLY TO YOU.

WARRANTY

Limited Factory Warranty For Eaton 93E UPS Products

93E

LIMITATION OF LIABILITY: In no event shall Eaton be liable for any indirect, incidental, special or consequential damages of any kind or type whatsoever, resulting from or in connection with any claim or cause of action, whether brought in contract or in tort (including negligence and strict liability). Some States or jurisdictions do not allow the exclusion of limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Eaton shall not be responsible for failure to provide service or parts due to causes beyond Eaton's reasonable control. In no case will Eaton's liability under this Warranty exceed the replacement value of the Warranted Items.

END-USER'S OBLIGATIONS: In order to receive the benefits of this Warranty, the End-User must register the product warranty (via mail or online at www.powerquality.eaton.com/Product-Registration "product registration"); use the Product in a normal way; follow the Product's operators and maintenance manual; and protect against further damage to the Product if there is a covered defect.

OTHER LIMITATIONS: Eaton's obligations under this Warranty are expressly conditioned upon receipt by Eaton of all payments due from End-User (including interest charges, if any). During such time as Eaton has not received payment of any amount due to it for the Product, in accordance with the contract terms under which the Product is sold, Eaton shall have no obligation under this Warranty. Also during such time, the period of this Warranty shall continue to run and the expiration of this Warranty shall not be extended upon payment of any overdue or unpaid amounts.

COSTS NOT RELATED TO WARRANTY: The End-User shall be invoiced for, and shall pay for, all services not expressly provided for by the terms of this Warranty, including without limitation, site calls involving an inspection that determines no corrective maintenance is required. Any costs for replacement equipment, installation, materials, freight charges, travel expenses or labor of Eaton representatives outside the terms of this Warranty will be borne by the End-User.

OBTAINING WARRANTY SERVICE: In the USA, call the Customer Reliability Center 7x24 at 800.843.9433. Outside of the USA, contact your local Eaton product sales or service representative for units purchased from those countries, or call the Customer Reliability Center in the USA at 919.845.3633 for units purchased in the USA that were shipped overseas. For comments or questions about this Warranty, write to the Customer Quality Representative, 8609 Six Forks Road, Raleigh, North Carolina 27615 USA.

WARRANTY

LIMITED WARRANTY & PROPRIETARY RIGHTS FOR PULSAR SERIES SINGLE-PHASE PRODUCTS (T-11)

Pulsar series

STANDARD LIMITED WARRANTY FORM (APPLICABLE WITHIN THE UNITED STATES, CANADA AND LATIN AMERICA)

EATON STANDARD SINGLE-PHASE LIMITED WARRANTY

Eaton warrants single phase products manufactured by Eaton to be free from defects in materials and workmanship for the following applicable time periods beginning with the date of purchase by or for the first End-user ("Purchaser"):

The following products are covered by a one (1) year warranty period:

- Power-Sure 700 Power Conditioners

The following products are covered by a two (2) year warranty period:

- Nova AVR, Evolution, Evolution S, EX, MX, MX Frame and EX RT
- Power-Suppress 100 Ultra-Isolator Noise Suppressors and Power-Sure 800 Power Conditioners

The following products are covered by a three (3) year warranty period:

- Eclipse Personal

The following products are covered by a five (5) year warranty period:

- Power-Suppress T7

The following products are covered by a ten (10) year warranty period;

- Eclipse Pro and Eclipse ProTel

The terms and conditions of this standard limited warranty also apply to extended warranty coverage for the Pulsar series.

Any defects in materials or workmanship must be reported to Eaton within the applicable warranty period. Where labor is not included in the warranty, any labor performed by Eaton shall be billed to Purchaser at, and Purchaser agrees to pay, Eaton standard labor rates then in effect for all warranty work performed hereunder. Eaton shall have the sole right to determine if any defective parts are to be repaired at the job site or whether they are to be re- turned to the factory for repair or replacement. All items returned to Eaton for repair or replacement must be sent freight prepaid to its factory. Purchaser must obtain Eaton Return Materials Authorization ("RMA") prior to returning items. The conditions stated herein must be met for Eaton warranty to be valid. Eaton will not be liable for any damage done by unauthorized repair work, unauthorized replacement parts, from any misapplication of the subject product, for damage due to accident, abuse or act of God (such as earthquake, flood, inclement weather, rain or fire), or relating to Purchaser's failure to follow proper environmental conditions for the product.

In no event shall Eaton be liable for loss, damage, or expense directly or indirectly arising from the use of or any defects in the subject product, or from any other cause, except as expressly stated in this warranty. EXCEPT AS EXPRESSLY STATED IN THIS WARRANTY, EATON MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE OR NON-INFRINGEMENT. SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF EXPRESS OR IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU. IN THAT EVENT, SUCH WARRANTIES ARE LIMITED IN DURATION TO THE LIMITED WARRANTY PERIOD. SOME STATES OR JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS AND/OR EXCLUSIONS MAY NOT APPLY TO YOU.

Eaton is not liable for and Purchaser waives any right of action it has or may have against Eaton for any consequential or special damages arising out of any breach of warranty, and for any damages Purchaser may claim for damage to any property or injury or death to any person arising out of its purchase or the use, operation or maintenance of the subject product. In no event will Eaton be liable for any labor subcontracted or performed by Purchaser for preparation of the warranted item for return to an Eaton factory or for preparation work for field repair or replacement, and Eaton will not be responsible to pay any invoice therefore. Some States and jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty shall be exclusive of any and all other warranties express or implied and may be modified only by a writing signed by an authorized officer of Eaton. This warranty shall extend to the Purchaser but to no one else. Accessories supplied by Eaton, but manufactured by others, carry any warranty the manufacturers have made to Eaton, and which can be passed on to Purchaser.

WARRANTY

LIMITED WARRANTY & PROPRIETARY RIGHTS FOR PULSAR SERIES SINGLE-PHASE PRODUCTS (T-11)

Pulsar series

EATON makes no warranty with respect to whether the products sold hereunder infringe any patent, U.S. or foreign, and Purchaser represents that any specially ordered products do not infringe any patent. Purchaser agrees to indemnify and hold EATON harmless from any liability by virtue of any patent claims where Purchaser has ordered a product conforming to Purchaser's specifications, or conforming to Purchaser's specific design. Purchaser has not relied and shall not rely on any oral representation regarding any products sold hereunder and any oral representation shall not bind EATON and shall not be part of any warranty.

This warranty gives you specific legal rights, and you may also have other rights which vary from State to State or jurisdiction to jurisdiction.
