

PURCHASE ORDER AND TASK DIRECTIVE TERMS AND CONDITIONS

These **Purchase Order and Task Directive Terms and Conditions** (the "Agreement"), represent the governing terms and conditions between **Iron Bow Technologies, LLC**, a Virginia Limited Liability Company with its principal location at 4800 Westfields Boulevard, Suite 300 Chantilly, Virginia 20151, ("Iron Bow") and the supplier (the "Supplier") identified in the Purchase Order and Task Directive (together sometimes referred to herein as the "Parties" or individually as a "Party") with respect to the Purchase Order.

Definitions.

"Preexisting Materials" means any Intellectual Property Rights or tangible personal property of Supplier or Iron Bow created before the date of the Purchase Order or outside the scope of the Purchase Order.

"Products" means hardware, software, supplies, and any tangible goods specified in the Purchase Order.

"Purchase Order" means the ordering document provided by Iron Bow to Supplier for the Work, whether identified as a Purchase Order, Task Directive, Task Order, or title of similar import, and includes any attachments, exhibits, specifications, drawings, notes, instructions and other information, as well as these Purchase Order and Task Directive Terms and Conditions, whether physically attached to the Purchase Order or incorporated therein by reference.

1) **Scope and Acceptance of Terms.** Notwithstanding anything else contained herein, if a Reseller, Partner, or other

Master Agreement has been fully executed and is currently in effect between the Parties, the terms and conditions of said agreement shall take precedence over any inconsistent terms and conditions contained in the Purchase Order. Iron Bow's submission of the Purchase Order is conditioned on Supplier's agreement that any differing or additional terms to those of the Purchase Order, whether communicated orally, in any quote, purchase order confirmation, invoice, acknowledgement, release, acceptance or other written correspondence, irrespective of the timing, shall not form a part of the Purchase Order, even if Supplier purports to condition its acceptance of the Purchase Order on Iron Bow's agreement to such differing or additional terms. If Supplier does not accept the Purchase Order in writing for any or no reason, any conduct by Supplier which recognizes the existence of a contract pertaining to the subject matter hereof (e.g. Supplier's acceptance or acknowledgement of the Purchase Order, commencement of performance, or partial or complete fulfillment of the Purchase order, etc.) shall constitute acceptance by Supplier of the Purchase Order and all of these terms and conditions. In the event that applicable law prevents the previous sentence from having its intended effect, the terms of the contract between the Parties shall be determined pursuant to § 8.2-207, "Additional Terms in Acceptance or Confirmation," of the Code of Virginia.

2) **Delivery.**

2.1 **Time is of the Essence.** Time is of the essence in the performance of Supplier's obligations under the Purchase Order. Supplier shall immediately notify Iron Bow if timely performance is delayed or is likely to be delayed for any reason. Iron Bow's acceptance or acknowledgement of such notice shall not constitute a waiver of any of Supplier's obligations. Delivery is to be made both in quantities and at times specified herein. In the event Supplier is unable to deliver Iron Bow's entire order according to the delivery schedule, Iron Bow may, at its sole discretion, (i) cancel the order without penalty; (ii) accept partial delivery, in which event such delivery shall be separately invoiced and paid for; (iii) direct expedited routing, and any excess cost incurred thereby shall be debited to Supplier's account; or (iv) terminate or modify the Purchase Order in whole or in part without any liability whatsoever. If Iron Bow accepts partial delivery, it may cancel the remainder of the subject order at any time prior to Supplier's shipment (as communicated in writing to Iron Bow) of the remaining portion. If Supplier delivers any Work after the Delivery Date, Iron Bow may reject such Work without liability.

2.2 **Early Delivery.** Work delivered in advance of schedule may, at Iron Bow's option, (i) be returned at Supplier's expense for proper delivery, (ii) have payment therefore withheld by Iron Bow until the date that goods are actually scheduled for delivery, or (iii) be placed in storage for Supplier's account and at Supplier's expense until the delivery date specified in the Purchase Order.

- 2.3 **Rejected Work.** Upon non-acceptance, repudiation or rejection of any Work, Iron Bow shall not be liable for any profit Supplier would have made, nor for incidental, consequential or indirect damages. Iron Bow will hold any rejected Work at Supplier's risk and expense, including storage charges, while awaiting Supplier's return shipping instructions. Supplier will bear all return shipping charges, including without limitation, insurance charges Iron Bow incurs. Iron Bow may, in its sole and absolute discretion, destroy, sell at a public or private sale, or otherwise dispose of or utilize any rejected Work for which Iron Bow does not receive return shipping instructions within a reasonable time, and apply the proceeds, if any, first toward any charges Supplier is responsible for (e.g. storage, insurance, shipping, etc.), then in accordance with Iron Bow's sole and absolute discretion.
- 2.4 **Supplier's Commitments.** Iron Bow shall not be liable for Supplier's commitments or arrangements in excess of the amount, or in advance of the time, necessary to meet the Purchase Order delivery schedule.
- 2.5 **Packing and Insurance.** Supplier will preserve, pack, package and handle the Deliverables and Products so as to protect the Deliverables and Products from loss or damage and in accordance with best commercial practices in the absence of any specifications Iron Bow may provide. Without limiting the foregoing, Supplier shall observe the requirements of any local laws and regulations relating to hazardous materials, including, without limitation, packing, labeling, reporting, carriage and disposal. No extra charge for packing or insurance shall be allowed unless specifically identified in the Purchase Order.
- 2.6 **Packing List.** A packing list shall accompany each shipment of Products and/or Deliverables identifying the Purchase Order or Task Directive number, a description and the quantity of each of the Products and/or Deliverables, the date of shipment, and, if such shipment completes the Purchase Order, shall state thereon: "This shipment completes this order."
- 2.7 **Point of Delivery.** Unless expressly instructed otherwise by Iron Bow in writing, Supplier will deliver all Work to the delivery address set forth in the Purchase Order. Supplier assumes responsibility for all shipping and delivery charges including, without limitation, customs, duties, costs, taxes and insurance. Risk of loss for the Deliverables and Products does not pass to Iron Bow until acceptance in accordance with the terms hereof.
- 3) **Pricing and Payment Terms.**
- 3.1 **Pricing.** Supplier warrants that the prices at which Work is being sold to Iron Bow are not less favorable than those currently extended to any other customer for the same or similar Work in equal or smaller quantities. In the event Supplier reduces its price(s) for such Work during the term of the Purchase Order or the Period of Performance thereof or thereunder, Supplier shall reduce the price(s) of the Purchase Order in a corresponding manner.
- 3.2 **Taxes.** Unless otherwise specified in the Purchase Order, the price for the Work includes all applicable taxes (including, but not limited to, sales, use, value-added and ad valorem taxes, tariffs, and assessments after audit), charges such as shipping and delivery charges, duties, customs, tariffs, and government-imposed surcharges. Supplier is responsible for payment of all applicable taxes, exclusive of taxes based on Iron Bow's income. Supplier shall list separately on its invoice (or voucher) any such tax lawfully applicable to any Work, and payable by Iron Bow, with respect to which Iron Bow does not furnish to Supplier lawful evidence of exemption. Supplier shall use its best efforts to assist Iron Bow in any legal efforts to minimize the taxes resulting from the performance of the Purchase Order.
- 3.3 **Payment.** Iron Bow will pay Supplier the price set forth in the Purchase Order forty-five (45) days following the later of: (i) the Delivery Date; (ii) the date of Iron Bow's acceptance of all of the Work; or (iii) Iron Bow's receipt of a properly prepared, undisputed invoice. A properly prepared invoice must include the Purchase Order or Task Directive number and, if required in the Purchase Order, Supplier's certification of conformance of the Work to the requirements. Payment will be in U.S. dollars, and if the price set forth in any quote, invoice or other document from Supplier is not in U.S. Dollars, then Iron Bow will determine the U.S. dollar equivalent of the price as of, in Iron Bow's discretion: (i) the date of the Purchase Order; (ii) the date of the invoice; or (iii) the date of payment. Iron Bow may, at any time, set-off any amounts Supplier owes Iron Bow against any amounts Iron Bow owes to Supplier or any of its affiliated companies.
- 3.4 **Limitation Period.** All amounts accrued and made payable by Iron Bow to the Supplier under the Purchase Order shall be invoiced in full no later than 180 days from the contractual end date of performance (the "Limitation Period"). Unless otherwise mutually agreed to by the parties, Supplier hereby agrees to release and discharge Iron Bow, its officers, agents, and employees, successors and assigns of and from all liabilities, obligations, and claims arising out of or under the Purchase Order, where such are submitted after the Limitation Period.
- 4) **Inspection, Testing, and Acceptance.**
- 4.1 **Inspection and Testing.** Any and all Work is subject to inspection and testing by Iron Bow to the extent practicable at all times and places, including the period of manufacture if Products or Deliverables are to be specifically manufactured or produced for Iron Bow in accordance with drawings, designs, or specifications furnished by Iron Bow, and in any event prior to acceptance.
- 4.2 **Acceptance.** Any and all Work shall be subject to final inspection and to acceptance by Iron Bow after delivery or performance. If the Work ordered does not meet the specifications or otherwise does not conform to the requirements of the Purchase Order, Iron Bow shall have the right to reject such Work within thirty (30) days of Supplier's delivery or performance thereof.
- 4.3 **Rejected Work.** Work that has been delivered or performed and rejected may be, at Iron Bow's option, and upon notice to Supplier: (i) returned to Supplier for a full refund or credit; (ii) replaced by Supplier; (iii) repaired or corrected by Supplier so that it meets the requirements; or (iv) accepted by Iron Bow conditioned on Supplier providing a refund or credit

in an amount Iron Bow reasonably determines to represent the diminished value of the non-conforming Work. If, after notice of Iron Bow's option pursuant to the preceding sentence, Supplier fails to fully carry out Iron Bow's election with respect to the rejected Work, same may be replaced, repaired, or corrected (without thereby exercising wrongful ownership) by Iron Bow, and Supplier shall be liable for the replacement, repair, or correction costs incurred by Iron Bow. Work rejected by Iron Bow shall not thereafter be tendered for acceptance, whether in relation to the same or a similar Purchase Order, unless the former rejection or requirement for correction is disclosed in writing at the time of such tender. Iron Bow's payment to Supplier for Work prior to timely rejection of such Work will not be deemed acceptance by Iron Bow.

5) **Ownership and Licenses.**

5.1 Unless otherwise specified in a SOW and except as provided in this Section, Ownership and Licenses, Iron Bow is the sole and exclusive owner of all Work and Supplier hereby irrevocably assigns and transfers to Iron Bow all of its rights, title to, and interest in the Work, including all associated Intellectual Property Rights.

5.2 Unless otherwise specified in a SOW, each Party owns all right, title, and interest in and to any of its Preexisting Materials. Supplier hereby grants Iron Bow a perpetual, irrevocable, worldwide, transferable, royalty-free, nonexclusive license, with the right to sublicense and authorize the granting of sublicenses, to use and reproduce Supplier's Preexisting Materials in the Work to the extent necessary for Iron Bow's exercise and exploitation of its rights in the Work.

5.3 Unless otherwise specified in a SOW, Supplier will obtain and assign to Iron Bow a nonexclusive, royalty-free, worldwide, perpetual, irrevocable, transferrable, sub-licensable license to use all third party intellectual property rights incorporated into, required to use, or delivered with the Work. Supplier shall deliver copies of proof of the foregoing releases and licenses to Iron Bow upon request.

5.4 Title to all property furnished to Supplier by Iron Bow or paid for by Iron Bow shall remain with Iron Bow. Supplier shall not alter or use such property for any purpose or for any other party other than that specified by Iron Bow, without prior written consent of Iron Bow. Supplier shall keep adequate records, which shall be made available to Iron Bow upon request, and shall store, protect, repair, and maintain such property in accordance with sound industry practice, all at Supplier's expense. In the event that Iron Bow's property becomes lost or damaged to any extent for any cause while in Supplier's possession, Supplier agrees to replace or repair such property, at Supplier's expense, upon Iron Bow's request. At the completion or any termination of the work for which Iron Bow's property was required, Supplier shall furnish a list of Iron Bow's property in in Supplier's possession and shall request disposition instructions for all such property, or the remainder thereof, whether in its original form or in semi-processed form. Supplier shall make such property available to Iron Bow at Iron Bow's request, including preparation, packaging, and shipping as directed. Expense for said preparation and packaging for shipment shall be borne by

Supplier. Iron Bow may, at its sole discretion and by written notice, divest itself of title in favor in Supplier.

5.5 Unless otherwise specified in the Purchase Order or a SOW, all tools, equipment, and all other articles required for the performance of the Work shall be furnished by Supplier at Seller's expense. If Iron Bow agrees to pay Supplier for such tools, equipment, and/or other articles, either separately or as a stated part of the unit price of goods or services purchased, title to same shall pass to Iron Bow upon (i) commencement of processing for use in performance of the Purchase Order; or (ii) Iron Bow's payment therefor, whichever occurs first. Any such tools, equipment, and/or other articles which are Iron Bow's property shall be used only in the performance of the Purchase Order unless otherwise provided in writing by Iron Bow. Supplier agrees that such tools, equipment, and/or other articles shall further be subject to the terms of the preceding Subsection 5.4.

6) **Warranties.**

6.1 **General Warranties.** Supplier expressly warrants that all Work hereunder shall be free from defects, of good materials and workmanship, and shall conform to applicable specifications, drawings, samples, and performance specifications whether set forth in the Purchase Order or in Supplier's sales literature. In the event of a conflict between the terms of the Purchase Order and such sales literature, the terms of the Purchase Order shall prevail. Said warranties shall not be deemed to limit any warranties of additional scope given to Iron Bow by Supplier, nor to limit Iron Bow's rights or Supplier's obligations under any other provision of the Purchase Order, at law or in equity. Supplier shall provide Iron Bow and its customers with such additional warranties as represent the most comprehensive and robust warranties that Supplier provides to any customer, end user, or other party for the same or similar Work. The foregoing warranties shall survive inspection and acceptance of and payment for the Work hereunder and shall run to Iron Bow, its successors, assigns, and customers.

6.2 **Drawings and Specifications Review.** If, during the term of the Purchase Order, Iron Bow representatives review drawings, specifications, or other data developed by Supplier in connection with the Purchase Order and make suggestions or comments or approve such documents and data, such action is only an expression of opinion and shall not serve to relieve Supplier of any responsibility for the reliability, quality, rate of output, cost, delivery performance, or any other requirements of the Purchase Order.

6.3 **Non-waiver of Warranties.** No warranties are waived by Iron Bow by reason of supplying plans, specifications, drawing, or data, or inspecting or accepting the Work. When Iron Bow furnishes specifications to Supplier, Supplier shall immediately notify Iron Bow of any infringement claim and Iron Bow may defend or negotiate the disposition of any such claim.

6.4 **Replacement Work.** Work repaired or replaced by Supplier pursuant to a warranty claim or due to rejection/non-acceptance shall, unless otherwise provided herein, be subjected by Iron Bow and/or Supplier to the same

qualification or acceptance testing as was the Work at the time of the original delivery to Iron Bow.

7) **Compliance.**

7.1 **Applicable Laws.** Supplier shall comply with all applicable laws, regulations, rules, executive orders, and customer prime contract or subcontract provisions and clauses relating thereto when notified thereof, including but not limited to laws, regulations, rules, and executive orders related to equal employment opportunity, affirmative action, gifts, bribes, gratuities, and kickbacks, lobbying, hiring of government employees, antitrust, security, and procurement integrity. To the extent that any such law, regulation, rule, executive order, or prime contract or subcontract provision requires that a provision or clause of the prime contract or subcontract be added to the Purchase Order, Supplier agrees that such provision or clause shall then become a part of the Purchase Order.

7.2 **FAR, DFAR & Other Required Clauses.** If Iron Bow's customer associated with the Purchase Order is a government agency, entity, agent, or other government end user, the applicable FAR, DFARS, and other required clauses identified in Exhibit A are hereby incorporated into the Purchase Order by reference with full force and effect.

7.3 **Procurement Integrity Act.** Supplier shall fully comply with Section 27 of the Office of Federal Procurement Policy Act (the Procurement Integrity Act), (41 U.S.C. 423) and its implementing regulations.

7.4 **DPAS Rating.** The Purchase Order is or is not a rated order as indicated on the Purchase Order or cover thereof, certified for national defense use, and Supplier is required to follow all the provisions of the Defense Priorities and Allocation System regulation (15 CFR Part 700) in obtaining controlled materials and other products, services and materials needed to fill this order.

7.5 **U.S. Foreign Corrupt Practices Act.** Supplier agrees to comply with, and not to perform any act that would subject Iron Bow to sanctions under, the U.S. Foreign Corrupt Practices Act, 15 U.S.C. Section 78 et seq. In particular, Supplier agrees that in connection with, or in the performance of, the Purchase Order, Supplier will not make or promise to make any payment (whether in currency, property or other thing of value) to any third person, firm or entity (including, without limitation, any government official or representative) for the purpose of obtaining or retaining business. For its part, Iron Bow agrees that it does not desire and will not request any service or action by Supplier that would or might constitute a violation of the Foreign Corrupt Practices Act. Furthermore, Supplier agrees, directly and indirectly, not to participate in, or otherwise be compliant with, any boycotts that the U.S. Government does not approve, including but not limited to the Arab Boycott of Israel.

7.6 **Export Compliance.**

a) Supplier agrees to comply, at its sole expense, with all applicable U.S. and foreign governmental requirements relating to Supplier's imports into and exports from, the United States, importation and use outside of the United States, and/or re-exports from abroad of all documents,

goods, and services, including any requirements to obtain licenses or other authorization prior to transfer or use. The foregoing requirements include, but are not limited to the U.S. Export Administration Act, the Arms Export Control Act, the International Economic Emergency Powers Act, and the Foreign Corrupt Practices Act.

b) Supplier agrees to indemnify, defend and hold Iron Bow, its directors, officers and employees, including any subsidiaries, affiliates and divisions, harmless, from and against any claims, liabilities, demands, penalties, fines and costs resulting from the Supplier's failure to comply with the requirements of, or breach of the representations and warranties in this Section 7.6. Supplier also agrees that Iron Bow may withhold payment(s) under the Purchase Order or any other contract between the Parties if Iron Bow believes, in good faith, that Supplier has breached this Section 7.6.

c) Supplier represents that it is not the subject of any U.S. Government order or designation that restricts or prohibits its participation in financial or export transactions with U.S. persons or involving U.S. goods or services. Supplier agrees to immediately inform Iron Bow if at any time during the term of the Purchase Order Supplier becomes subject to such restrictions.

d) Supplier represents and warrants that it is either: (i) a U.S. Person as that term is defined in the U.S. export laws and regulations; or (ii) that it has disclosed to Iron Bow in writing the country in which it is incorporated or otherwise organized to do business, or, if a natural person, all citizenships and U.S. immigration status.

7.7 **Prohibition of Marketing or Lobbying Activities.**

a) Iron Bow has not engaged Supplier for the purpose of influencing or attempting to influence (marketing or lobbying) any Federal Official on behalf of Iron Bow, in connection with any Federal Contract action (the award, extension, continuation, renewal, amendment, or modification of any Federal Contract).

b) Supplier agrees to refrain from engaging in any communications with, or making any appearances before, any Federal Official on behalf of Iron Bow, for the purpose of influencing or attempting to influence (marketing or lobbying) said official in connection with any Federal Contract action.

c) Violation of this Section 7.7 may constitute grounds for immediate termination of the Purchase Order, as well as any other contracts between Iron Bow and Supplier, at Iron Bow's sole and absolute discretion, notwithstanding any other provision of the Purchase Order.

7.8 **Ethics Policy.** Supplier acknowledges that it and its employees, consultants and agents shall comply with Iron Bow's Ethics Compliance Program and Code of Ethics, Conduct and Responsibility (the "Code"), that all employees, consultants and agents of Supplier understand their obligations thereunder, and the restrictions imposed upon Supplier by the Code, and that Supplier agrees to abide by the applicable obligations and restrictions of the Code.

7.9 Equal Employment Opportunity. Iron Bow and Supplier shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability. The Parties shall further abide by 41 CFR § 61-300.10 (regarding veterans' employment reports), and Executive Order 13496 (regarding notification of employee rights), and any other laws, regulations, rules, and executive orders related to equal employment opportunity, affirmative action, and employee rights, as may be applicable to the Purchase Order. This subsection 7.9, Equal Employment Opportunity, shall not be construed to limit or restrict any more broad or general requirement or obligation of either Party hereunder.

7.10 Notice to Iron Bow. During the term of the Purchase Order or the period of performance thereunder, Supplier will notify Iron Bow, in writing, immediately upon becoming aware of the existence and content of any applicable regulation, directive or law that conflicts with any provision of the Purchase Order.

8) Insurance. Supplier agrees, at its expense, to indemnify, defend, and hold harmless Iron Bow, its directors, officers, employees, affiliates, subsidiaries, agents, customers and end users from any and all loss, claims and liability, including, without limitation, reasonable legal fees and costs, for death, injury or disability of any person or damage to or destruction of property (including, without limitation, the loss of use of any property or the presence of hazardous substances at any property) caused by or resulting from the acts or omissions of Seller, its agents, suppliers or employees in connection with the performance of the Purchase Order. During the performance of the Purchase Order, Supplier shall maintain in full force and effect, at its sole cost and expense, the minimum insurance coverages stated below, written on an "occurrence basis" and not "claims-made" basis (unless otherwise stated), covering activities performed under the Purchase Order, including without limitation, coverage of all automobile exposure, all property liability exposure and all contractual liability exposure. All insurance shall be placed with reputable insurance companies acceptable to Iron Bow with a current rating in A.M. Bests Insurance Rating guide of at least A-X and licensed to do business in the country(ies), state(s) or province(s) where the Purchase Order is being performed. Seller shall maintain insurance with the following minimum policy limits:

a) **Workers' Compensation:** Coverage for statutory obligations imposed by laws of any State in which the work is to be performed including the coverage required by a Monopolistic State (i.e. North Dakota, Ohio, Washington, West Virginia, and Wyoming), including

where applicable, coverage under the United States Longshoremen's and Harbor Workers' Act (USL&H), the Jones Act, and the Defense Base Act (DBA). In addition, the policy shall be endorsed to waive the insurer's rights of subrogation in favor of Iron Bow Technologies, LLC and Iron Bow Holdings, Inc.;

- b) **Employer's Liability:** Coverage for injuries to employees not covered by workers' compensation with limits of at least \$1,000,000 each accident, \$1,000,000 each employee by disease, and \$1,000,000 policy limit by disease;
- c) **Commercial General Liability:** Coverage for third party bodily injury and property damage, personal injury, products and completed operations, contractual liability, and independent contractors' liability with limits not less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate. Coverage for passenger liability bodily injury shall be at least \$200,000 multiplied by the number of seats or passengers, whichever is greater.

Such policies, with the exception of the Professional Liability policy(ies), shall name Iron Bow, its directors, officers, employees and agents as additional insureds covering activities performed under the Purchase Order. All policies shall provide that coverage may not be materially changed, canceled or non-renewed without thirty (30) days prior written notice to Iron Bow. The insurance requirements set forth herein are not intended and shall not be construed to modify, limit or reduce the indemnifications made in the Purchase Order by Supplier to Iron Bow or to limit Supplier's liability under the Purchase Order to the limits of the policies required to be maintained by Supplier under the Purchase Order or in any other manner. Supplier shall furnish Iron Bow with certificates of insurance for the coverages required under the Purchase Order prior to performance hereunder. Such insurance shall be primary to, not contributing with, and not in excess of, coverage which Iron Bow may carry. Supplier's insurance shall contain a severability of interest provision. The insurance afforded by these policies applies separately to each insured against whom claim is made or suit is brought, in the same manner as such insured would be covered if

the policy insured only such party. The inclusion of such additional insureds shall not increase the policy limits.

9) **Term, Termination, Cancellation, Changes, and Stop-Work Orders.**

9.1 **Term.** The Purchase Order shall remain in effect until all Work thereunder has been terminated or completed and accepted in accordance with these terms.

9.2 **Termination for Cause.** Iron Bow may terminate the Purchase Order, in whole or in part, immediately in the event that (i) Supplier breaches any material term hereof; (ii) Supplier fails to make timely delivery; (iii) Supplier fails to perform in accordance with any of the requirements of the Purchase Order or to make progress so as to endanger performance, or (ii) Supplier becomes insolvent or suspends any of its operations or if any petition is filed or proceeding commenced by or against Supplier under any law relating to bankruptcy, arrangement, reorganization, receivership or assignment for the benefit of creditors. Any such termination will be without liability to Iron Bow except for completed items delivered to and accepted by Iron Bow, payment for which can be set off against any damages or debts owed to Iron Bow. Iron Bow may require Supplier to transfer title and deliver to Iron Bow any or all property produced or procured by Supplier for performance of the work terminated and Supplier shall be credited with the reasonable value thereof not to exceed Supplier's cost. Supplier will be liable for damages caused by or resulting from its default including but not limited to excess costs of re-procurement. Failure by Iron Bow to take such action, immediately or otherwise, shall not constitute a waiver of said right or any other right Iron Bow may have through contract, law or otherwise.

9.2 **Termination for Convenience.** Iron Bow may, at any time, terminate the Purchase Order, in whole or in part, for its convenience upon written notice to Supplier, in which event Supplier shall be entitled to reasonable termination charges consisting of a percentage of the Purchase Order price reflecting the percentage of work performed and accepted prior to termination, plus any reasonably incurred settlement expenses.

9.3 **Order Cancellation.** Iron Bow may cancel, without penalty or cost, the Purchase Order, in whole or in part, to the extent an Iron Bow customer has canceled its corresponding order to Iron Bow, prior to acceptance, and Iron Bow may return for a full refund and without penalty any Products received by Iron Bow or its Customer in connection with such Purchase Order or portion thereof.

9.4 **Changes.** Iron Bow may, at any time, by a written order, make changes within the general scope of the Purchase Order for compliance by Supplier, in any one or more of the following: (i) drawings, designs, or specifications, where the supplies or services to be furnished are to be specifically manufactured or produced for Iron Bow in accordance therewith; (ii) method of shipment or packing; (iii) place of delivery; (iv) delivery schedule and period of performance of work; (v) quantities. Supplier further agrees to incorporate herein any revised or additional clause Iron Bow reasonably deems necessary to ensure compliance with any higher tier

contract or modification thereto. If any such change causes an increase or decrease in the cost of or the time required for the performance of any part of the work under the Purchase Order (whether or not changed by written order): (y) the Parties shall negotiate an equitable adjustment, to the Purchase Order price, delivery schedule and period of performance, or both, in good faith; and (z) the Purchase Order shall be modified in writing accordingly. Supplier will proceed with the Work as changed and directed, regardless of whether the Parties have negotiated the amendment to the Purchase Order or the applicable SOW to incorporate the equitable adjustment. Any claim by Supplier for equitable adjustment under this clause shall be asserted within ten (10) business days from the date of receipt by Supplier of the notification of change.

9.5 **Stop-Work Order.** Iron Bow may, at any time, by written order to Supplier, require Supplier to stop all, or any part, of the work called for by the Purchase Order for a period of 90 days after the written order is delivered to Supplier, and for any further period to which the Parties may agree. The order shall be specifically identified as a stop-work order issued pursuant to this clause. Upon receipt of the stop-work order, Supplier shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work order is delivered to the Supplier, or within any extension of that period to which the Parties shall have agreed, Iron Bow shall either (1) cancel the stop-work order; or (2) terminate the work covered by the stop-work order as provided in the terms of the Purchase Order.

10) **Returns.** Iron Bow shall be entitled to return any and all unused and undamaged Products to Supplier for a full refund of the purchase price (inclusive of any taxes paid) within one (1) year of the date of receipt of such Product(s) by Iron Bow or its Customer(s). Iron Bow shall be entitled to return any defective, nonconforming, or otherwise unsatisfactory Products to Supplier for a full refund (inclusive of any taxes paid) within one (1) year of the date of receipt of such Product(s) by Iron Bow or its Customer(s). Iron Bow shall be entitled to return any and all Products which a Customer does not accept due to (a) rejection for any cause; or (b) Customer cancellation of an order or termination of an order or contract, whether partial or complete, for a full refund of the purchase price (inclusive of any taxes paid) of any Products so returned.

11) **Counterfeit Parts.** If suspect/counterfeit parts are furnished under the Purchase Order and are found in any goods or deliverables, or incorporated into any services, provided hereunder, such items will be impounded by Iron Bow. Supplier shall promptly replace such suspect/counterfeit parts with parts acceptable to Iron Bow and its Customer(s), and Supplier shall be liable for all costs relating to the removal and replacement of said parts, including without limitation Iron Bow's external and internal costs of removing such counterfeit parts, of reinserting replacement parts, and of any testing necessitated by the reinstallation of Supplier's goods after counterfeit parts have been exchanged. Supplier shall be fully liable for all such costs, even if

such cost might be considered indirect, special or consequential damages under other provisions contained herein.

12) **Confidential Information.**

12.1 **General Confidentiality.** Each Party agrees not to use any Confidential Information (as defined herein) of the other Party except in performance of the Purchase Order and not to disclose such information to third parties (other than, as determined by the receiving party in good faith, those persons with a genuine “need to know” and who will similarly limit the use and disclosure of the information, such as attorneys, accountants, commercial and investment bankers, consultants, Board members and certain key employees). All information which the disclosing party considers confidential will be conspicuously marked or otherwise labeled “Confidential,” “Proprietary,” “Sensitive” or in another manner indicating its confidential and/or proprietary nature or which, in the case of oral information, is specifically identified at the time of disclosure as being confidential, proprietary or sensitive; provided, however, such oral information is reduced to writing and delivered to receiving party within ten (10) days of oral disclosure. Notwithstanding the foregoing, the terms, conditions, and existence of the Purchase Order, and Iron Bow’s pricing, discounts, margins, and non-public customer data will be considered Confidential Information whether or not so marked. With respect to both Parties hereto, for purposes hereof, Confidential Information will not include any information that: (i) is now or becomes in the public domain through no breach of the terms and conditions of the Purchase Order; (ii) is in the possession of the receiving party as of the date of execution hereof and is not subject to nondisclosure obligations; (iii) is independently learned by the receiving party from a third party without breach of the terms and conditions of the Purchase Order; or (iv) is required by law or order of a court, administrative agency or other governmental body to be disclosed by the receiving party. Each Party acknowledges that the other Party will suffer irreparable injury as a result of any use, disclosure, or duplication of its Confidential Information by the other Party in violation of the provisions of this Section. Accordingly, either Party will be entitled in such event to seek preliminary and final injunctive relief in addition to any other applicable remedies, including the recovery of damages. The provisions of this Section will survive the completion, termination, or expiration of the Purchase Order. Each Party will notify the other immediately upon learning of any unauthorized use, disclosure, or duplication of Confidential Information.

12.2 **Proprietary Drawings and Data.** Supplier shall keep confidential all information, drawings, specifications, or data and return, upon request, all documents furnished by Iron Bow, and shall not divulge or use such information, drawings, specifications, or data for the benefit of any other party. Except as required for the efficient performance of the Purchase Order, Supplier shall not make copies or permit copies to be made without the prior written consent of Iron Bow. Supplier shall thereafter make no further use, either directly or indirectly, of any such data or any information derived therefrom without obtaining Iron Bow’s written consent. The obligations of this

clause shall survive the completion, cancellation, or termination of the Purchase Order.

12.3 **Use of Information.**

Notwithstanding anything else contained herein, Supplier agrees (i) that all information heretofore or hereafter furnished or disclosed to Iron Bow by Supplier, in connection with the placing or filling of the Purchase Order, is furnished or disclosed as a part of the consideration for the Purchase Order; (ii) that such information is not, unless otherwise agreed to by Iron Bow in writing, to be treated as confidential or proprietary; and (iii) that Supplier shall assert no claims (other than for patent infringement) by reason of the use or disclosure of such information by Iron Bow, its assigns, or its Customers. No employee of Iron Bow has the authority to make an agreement providing for the confidential treatment of, or limiting the use or disclosure of, information so furnished or disclosed, unless such agreement is made in writing and signed by Iron Bow’s Chief Financial Officer, General Counsel, Corporate Counsel, or Director of Contracts. However, in the event that this clause should conflict with the provisions of any patent rights or data rights clause of the Purchase Order, the latter shall prevail. Any unpatented knowledge or information concerning Supplier’s products, methods, or manufacturing processes which Supplier may disclose to Iron Bow incidental to the manufacture of goods covered by the Purchase Order shall, unless otherwise specifically agreed in writing, be deemed to have been disclosed as part of the consideration for the Purchase Order, and Supplier agrees not to assert any claim against Iron Bow by reason of Iron Bow’s use or alleged use thereof and, if the Purchase Order involves research or development work, Supplier agrees to grant Iron Bow an irrevocable, exclusive, royalty-free license to make, have made, use, and sell any inventions resulting from such work under the Purchase Order.

12.4 **Required Disclosures.** Either Party will have the right in its good faith discretion to make such public press releases, announcements or other communications as it reasonably believes are necessary to comply with applicable federal and state securities or other laws and the regulations promulgated by the National Association of Securities Dealers (“NASD”) and/or appropriate securities exchanges, as the case may be, but only to the extent of not divulging any proprietary or Confidential Information of the other Party.

13) **Indemnification and Limitation of Liability.**

13.1 **Indemnification by Supplier.** Supplier shall, at its sole expense, indemnify, defend and hold harmless Iron Bow and its affiliates, shareholders, directors, officers, employees, contractors, agents and Customers from and against any and all claims, losses, damages, injury, liability, expenses of whatever form or nature and costs, including but not limited to reasonable attorneys’ fees and court costs, resulting from, arising out of, or in any way connected with the Purchase Order, whether or not caused or contributed to by Iron Bow based upon: (i) an allegation that any Product, service, deliverable, or portion thereof infringes or constitutes wrongful use of any patent, copyright, trademark, trade secret or other proprietary right of any third party; (ii) any act, omission, or failure to act where action was required by Supplier (including

its Subcontractors); and/or (iii) any breach by Supplier of the Purchase Order or any warranties, representations, covenants or obligations as provided for in the Purchase Order. Iron Bow will provide the Supplier reasonable notice of all claims and the opportunity to assume control of the defense or settlement of those portions of the claim for which indemnification is sought, provided that the Iron Bow will have the opportunity to approve any such defense or settlement.

13.2 Indemnification by Iron Bow. Iron Bow shall, at its sole expense, indemnify, defend and hold harmless Supplier and its affiliates, shareholders, directors, officers, employees, contractors, and agents from and against any and all claims, losses, damages, injury, liability, expenses of whatever form or nature and costs, including but not limited to reasonable attorneys' fees and court costs, resulting from: (i) Supplier's use of Iron Bow's products or services in connection with the Work; (ii) Supplier's use of information or materials provided to Supplier by Iron Bow (provided that no modifications, alterations or additions to said information or materials by Supplier or any third party are wholly or partially responsible for the liability); or (iii) infringement of a third party's Intellectual Property Rights directly resulting from Supplier's compliance with Iron Bow's written instructions. Supplier will provide Iron Bow prompt written notice of all claims and the opportunity to assume control of the defense or settlement of those portions of the claim for which indemnification is sought.

13.3 Limitation of Liability. Except for indemnification obligations, or a breach of the confidentiality obligations contained herein, neither party shall be liable to the other party or any third parties, whether in contract, tort or otherwise, for consequential, incidental, indirect or special damages, including but not limited to lost profits, revenue or data, even if such party has been apprised of the possibility of such damages occurring. UNDER NO CIRCUMSTANCES WILL IRON BOW OR ITS SUBSIDIARIES, INCLUDING IRON BOW'S AND ITS SUBSIDIARIES' RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, SUCCESSORS, ASSIGNS, SHAREHOLDERS, SUBCONTRACTORS OR LICENSORS, BE LIABLE FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES, OR FOR THE LOSS OF PROFITS, REVENUE, TIME, OPPORTUNITY OR DATA, WHETHER IN AN ACTION IN CONTRACT, TORT, PRODUCT LIABILITY, STATUTE, EQUITY OR OTHERWISE, EVEN IF ADVISED OF THE POSSIBILITY OF THOSE DAMAGES. UNDER NO CIRCUMSTANCES WILL IRON BOW'S OR ITS SUBSIDIARIES', INCLUDING IRON BOW'S AND ITS SUBSIDIARIES' RESPECTIVE OFFICERS', DIRECTORS', EMPLOYEES', AGENTS', SUCCESSORS', ASSIGNS', SHAREHOLDERS', SUBCONTRACTORS', OR LICENSORS' CUMULATIVE LIABILITY EXCEED THE AMOUNT IRON BOW PAID SUPPLIER FOR THE APPLICABLE PRODUCTS(S) OR SERVICE(S) IN CONTROVERSY.

13.4 Two Year Limitation; Discrepancies. Supplier may not bring a claim or action regardless of form, arising out of or related to the Purchase Order, including any claim of fraud or

misrepresentation, more than two (2) years after the delivery of any Products, completion of any services, or payment of any invoice at issue, or more than two (2) years after any such cause of action accrues, whichever is later. In addition, Supplier agrees to bring any administrative discrepancies, including but not limited to, invoice errors, shipment discrepancies and return variances, to Iron Bow's attention in writing within ten (10) days from the date of the incident's occurrence (e.g. invoice date, receipt of good, etc.). Supplier's failure to raise an administrative discrepancy (with appropriate supporting documentation) within this period will be a waiver of Supplier's right to dispute the incident at a future date.

14) **Miscellaneous.**

14.1 Purchase Order Number. Supplier shall include Iron Bow's Purchase Order or Task Directive number, including any change, modification, or revision designation or controlling blanket agreement number, on all invoices (or vouchers), packing lists, bills of lading, packages, containers and correspondence processed under the Purchase Order.

14.2 Non-disparagement. Neither Party will, at any time, disparage the other Party or its affiliates or any of their products or services, or portray the other Party or its affiliates or any of their products or services in a false or poor light.

14.3 Media Releases. Supplier shall not in any manner advertise or publish the fact that it has furnished, or contracted to furnish, Iron Bow the goods or services under the Purchase Order without Iron Bow's prior written consent. Except for any announcement intended solely for internal distribution or any disclosure required by legal, accounting, or regulatory requirements beyond Supplier's reasonable control, all media releases, public announcements, or public disclosures by Supplier or its employees or agents relating to the Purchase Order or its subject matter, will require the prior written approval of Iron Bow before the release thereof.

14.4 Nonproselytization. During the term of this Agreement and for a period of one year after its termination or expiration, Supplier shall not solicit for employment or hire any technical, sales, marketing or management employee of Iron Bow, its parent company(ies), if any, or any affiliate thereof. However, either Party may hire an individual employed by the other who, without other solicitation, responds to employment advertising in newspapers, trade publications, web sites or other public commercial media. The Parties expressly acknowledge the materiality of this covenant.

14.5 Independent Contractors. Nothing in the Purchase Order is intended to establish or authorize either Party as an agent, legal representative, joint venture, franchise, employee, or servant of the other for any purpose. Neither Party will make any contract, agreement, warranty, or representation on behalf of the other Party, or incur any debt or other obligation in the other Party's name, or act in any manner which has the effect of making that Party the apparent agent of the other. Neither Party will assume liability for, or be deemed liable as a result of, any such action by the other Party. Neither Party will be liable by reason of any act or omission of the other Party in the conduct of business or for any resulting claim or judgment.

15) **Assignment.** Supplier may not assign the Purchase Order, in whole or in part, its rights or obligations thereunder, or any interest therein (including any claims for monies due or to become due with respect hereto), without Iron Bow's prior express written consent. Any payment to any assignee of any claim under the Purchase Order, in consequence of such consent, shall be subject to set-off, recoupment, or other reduction for any claim that Iron Bow may have against Supplier.

16) **Subcontracting.** Supplier may not subcontract any of its rights or obligations under the Purchase Order without Iron Bow's prior written consent. If Iron Bow consents to the use of a Subcontractor, Supplier shall (i) not be relieved of any of its obligations hereunder, and shall be fully responsible and liable for performance of the entire Purchase Order, even with respect to any subcontracted portion thereof; (ii) indemnify Iron Bow for all damages and costs of any kind, subject to the limitations in Section 13, Indemnification and Limitation of Liability, incurred by Iron Bow or any third party caused by the acts and/or omissions of Supplier's Subcontractor(s); and (iii) make all payments in accordance with the terms of Supplier's agreements with its Subcontractors. If Supplier fails to pay a Subcontractor for work performed in accordance with its agreement therewith, Iron Bow will have the right, but not the obligation, to pay the Subcontractor and offset any amount due to Supplier by any amount paid to the Subcontractor. Supplier will defend, indemnify and hold Iron Bow harmless for all damages and costs of any kind, without limitation, incurred by Iron Bow caused by Supplier's failure to pay a Subcontractor.

17) **Notices.** All notices, orders, directives, request or other written communications required or permitted to be given or sent by this Agreement, will be deemed given if mailed first class, postage paid or sent by electronic mail facsimile, and if addressed as follows:

In the case of Vendor: To the most recently provided address, facsimile number, telephone number, or email address, the address, facsimile number, telephone number, or email address that was provided by Supplier on Iron Bow's Supplier Setup Request form (or any form used by Iron Bow for that purpose).

18) **Force Majeure.** Neither Supplier nor Iron Bow shall be liable for any delay in delivery, or delay in the performance of other acts required hereunder, when resulting from causes wholly beyond the reasonable control of either party. Such causes shall

include, but not be limited to: acts of God, acts of government, wars, revolutions, civil disturbances, strikes, floods, fire, labor disputes or shortages, utility curtailments, power failures, explosions, shortages of equipment or supplies, acts or omissions of third parties, perils of the sea or other interruption of transportation. Notice to this effect ("Notice of Force Majeure") shall be given in writing or by facsimile, or e-mail confirmed in writing as soon as reasonably possible to the other party. The existence of such causes of delay shall justify the suspension of performance hereunder by either party and shall extend the time for such performance for a period equal to the period of delay; provided however, that if such period of delay shall exceed sixty (60) days from the receipt of Notice of Force Majeure, either party shall have the right to cancel the Purchase Order without liability; further provided however, that if such period of delay creates a risk that Iron Bow may fail to meet its obligations to a Customer Iron Bow shall have the right to cancel the Purchase Order immediately without liability.

19) **Severability.** Each clause, paragraph and provision hereof is entirely independent and severable from every other clause, paragraph and provision. If any judicial authority or state or federal regulatory agency or authority determines that any portion hereof is invalid or unenforceable or unlawful, such determination will affect only the specific portion determined to be invalid or unenforceable or unlawful and will not affect any other portion of the Purchase Order or these terms and conditions, which will remain and continue in full force and effect. In all other respects, all provisions of the Purchase Order and these terms and conditions will be interpreted in a manner which favors their validity and enforceability and which gives effect to the substantive intent of the Parties.

20) **Survival.** All provisions of herein which are, by their nature, intended to survive the expiration or termination of the Purchase Order will survive such expiration or termination.

21) **Counterparts.** The Purchase Order and these terms and conditions may be executed in two or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument. The Purchase Order and these terms and conditions may be executed by facsimile, electronic communication in portable document format (.pdf) or duplicate originals, and the parties agree that their electronically transmitted signatures shall have the same effect as manually transmitted signatures. If any clause, sentence, paragraph or part of the Purchase Order and these terms and conditions shall be held by any court of competent jurisdiction to be invalid, illegal or unenforceable such judgment will not affect or nullify the remaining provisions of the Purchase Order and these terms and conditions.

22) **Governing Law and Disputes.** The Purchase Order and these terms and conditions shall be governed by and interpreted in accordance with the laws of the Commonwealth of Virginia, without regard to the conflicts of law principles thereof. All claims, disputes, demands, controversies and differences that may arise between the Parties hereto shall be settled first, by negotiating promptly with each other in good faith. These negotiations shall commence upon the written request of either Party and shall be conducted by the designated senior

management representative of each Party. If the Parties are unable to resolve the dispute between them within thirty (30) days (or within such longer period as the Parties may otherwise mutually agree) through these negotiations, then the Parties agree to try in good faith to settle the dispute by mediation administered by the American Arbitration Association under its Commercial Mediation Rules before resorting to arbitration, litigation, or some other dispute resolution procedure. If the Parties are unable to resolve the dispute between them within thirty (30) days (or within such longer period as the Parties may otherwise mutually agree) through said mediation, either Party may resort to the judicial process to pursue its claims. Any such action shall be filed in a court of competent jurisdiction in the Commonwealth of Virginia. Each Party will bear its own attorney's fees and other costs associated with negotiation, mediation and arbitration provided for in this section. If court proceedings to stay litigation or compel good faith negotiation or mediation are necessary, the Party who unsuccessfully opposes such proceedings will pay all associated costs, expenses and attorney's fees, which are reasonably incurred by the other Party. If any legal action or other proceedings in a court of competent jurisdiction is brought to enforce the provisions of the Purchase Order or these terms and conditions, the prevailing Party shall be entitled to recover reasonable attorney's fees and other costs incurred in this action or proceeding, in addition to any other relief to which the prevailing Party may be entitled. Each of the rights and remedies reserved by Iron Bow in the Purchase Order and these terms and conditions shall be cumulative and additional to any other or further remedies provided in law or equity or in the Purchase

Order and these terms and conditions. A waiver of a breach of any provision hereof shall not constitute a waiver of any other breach.

23) **Entire Agreement.** The Purchase Order and these terms and conditions contain the entire agreement between the Parties concerning the subject matter hereof, and supersedes all prior agreements, arrangements, understandings, letters of intent, conversations, and negotiations, whether oral or written, with respect to the subject matter hereof. The Parties stipulate that there are no representations with respect to the subject matter of the Purchase Order except those representations specifically set forth in the Purchase Order and these terms and conditions. Supplier agrees that any terms or conditions contained in any quote, acknowledgment, invoice or other form issued by Supplier shall not be binding on Iron Bow, and no act of Iron Bow other than an express agreement in writing, signed by an authorized representative of Iron Bow, shall be deemed an acceptance of any such term or condition. The Parties specifically agree that (i) headings in this Agreement are inserted for convenience only and shall not affect the construction or interpretation of this Agreement or the Purchase Order; (ii) the word including shall not limit the meaning of the preceding words or terms; and (iii) in cases of ambiguity in the construction of the Purchase Order there shall be no presumption against either Party as the "drafter." This Agreement may not be changed orally, it may only be amended or modified in writing, signed by the Party against whom enforcement of any waiver, change, modification or discharge is sought.
